## Captain Chris Woon's Message

Fri August 28, 2020

Greetings, Ingleside Community!

A quick glance at the news and social media reminds us that it's been a busy couple of weeks, and we hope that this newsletter finds you well as we all work together to navigate the continued challenges around us.

In the past week and a half, we've received inquiries regarding two recent incidents that occurred in the district this past week - a fatal vehicle collision that occurred on Monday, August 15th and a shooting that occurred on Saturday, August 17th. First, we would like to extend our sincere and heartfelt thoughts and prayers to those directly affected, and their family and friends. Each incident is tragic and unfortunate in its own right, and reminds us of the unpredictable nature of life, as well as the importance of always appreciating those around us.

Next, we want to reassure the community that all necessary department resources are being utilized to address each incident. While these remain active and ongoing investigations, and circumstances prevent us from sharing certain information, we are able to provide some details in this week's newsletter, and you'll find that on the following page. We would also like to reassure you that these incidents appear to have been isolated occurrences that have transpired as the result of the actions of individuals engaged in unlawful activity, with no apparent or obvious connection to the victims.

When incidents like this occur, they bring up many questions and concerns, but rest assured that the officers of Ingleside Station will continue to be here, day and night, to help protect our community and keep us safe. Likewise, we will be sure to share any information through the usual channels as it is provided to us and becomes available.

Stay well, healthy, and aware.

Captain Chris Woon  
Commanding Officer

At approximately 7:33 p.m. on August 15, 2020, San Francisco Police officers saw a vehicle wanted in connection with an armed robbery in the East Bay, travelling in the Mission Bay neighborhood. The SFPD officers attempted to stop the vehicle, but the driver failed to pull over and stop, and a vehicle pursuit ensued.

The suspect vehicle fled onto the freeway and returned to city streets in the Ingleside District. The officers continued the pursuit, but lost sight of the wanted vehicle. SFPD officers responded to the scene and saw that the suspect vehicle was involved in a collision with other vehicles, resulting in multiple parties being injured. A preliminary investigation determined that the suspect vehicle ran a red light Eastbound on Geneva Avenue and collided with a minivan that was traveling Northbound on Prague, to Westbound Geneva.

The driver of the minivan, a 63-year-old male, was injured and succumbed to his injuries at the scene. Two passengers in the minivan, a 57-year-old female and a 35-year-old female, were seriously injured, and were admitted to a local San Francisco hospital.

The driver of the suspect vehicle, 19-year-old Paris Powell of San Francisco, ran from the collision scene on foot but was arrested nearby. A firearm was located on his person. He was treated at a local hospital and later booked on the charges of: homicide [187PC], evading a peace officer resulting in death [2800.3(b)VC], reckless driving resulting in serious injury [23105(a)VC], contributing to the delinquency of a minor [272(a)(1)PC], child endangerment [273a(a)PC], hit and run involving an injury [20001(a)VC], hit and run [20002(a)VC], carrying a concealed firearm [25400(a)(2)PC], evading a peace officer resulting in bodily injury [2800.3(a)VC], and resisting, obstructing or delaying a peace officer [148(a)(1)PC].

Four passengers in the suspect vehicle were detained and admitted to a local hospital.

Both incidents remain active and ongoing investigations, in their early stages. Anyone with information is asked to call the SFPD 24-hour tip line at 415-575-4444 or Text-a-Tip to TIP411, and begin the text message with SFPD. You may remain anonymous.

## Remembering Sergeant John V. Young

This week, the personnel at Ingleside Station will take time to remember the passing of Sergeant John Victor Young, star number 1665.

Sergeant Young was killed in the line of duty on the evening of August 29<sup>th</sup>, 1971 when a group of armed subjects stormed Ingleside Station. One of the subjects approached the front window and fired multiple times through the opening in the business office window, striking Sergeant John Young. ## NEWS RELEASE

August 12, 2020

### **San Francisco Police Department unveils 'Black lives matter' poster that reaffirms values, showcases rationale from every corner of SFPD**

SAN FRANCISCO (Aug. 12, 2020) — San Francisco Chief of Police William Scott was joined today by Police Commission Vice President Damali Taylor and Police Commissioner DionJay Brookter to unveil the innovative approach taken by members of the San Francisco Police Department and the San Francisco Police Commission in developing the “Black lives matter” posters that will be displayed in every police station throughout the city this month.

Commissioner Brookter authored the resolution requiring the display of such banners, which was recommended to him by members of the community and unanimously approved by the Police Commission at its July 15, 2020 meeting. At a virtual Zoom press conference today, attendees showcased how SFPD members throughout the department embraced the importance and meaningful symbolism of the endeavor — adding content and exceeding the original 32-by-24-inch minimum dimension by 90 percent.

Working in tandem with the resolution's author and members of the police commission since the resolution's adoption, SFPD members department-wide opted to go beyond the measure's basic requirements. The oversized banner now measuring 27 by 54 inches explains why the department's values of “safety with respect for all” require acknowledging why Black lives matter — “definitively and resoundingly” — to all members of the San Francisco Police Department.

“Recent protests since the death of George Floyd at the hands of Minneapolis police have challenged our profession to rise to the moment in ways that are unprecedented in our modern history,” Chief Scott said. “Millions of people are talking to us, and we need to listen. With the ‘Black lives matter’ banner we are unveiling today, I think the San Francisco Police Department makes very clear: we are listening, and we are answering

definitively and resoundingly that Black lives matter to all of us — and for many reasons. I want to thank all the members of the San Francisco Police Commission for their leadership in this effort, and especially the members of the San Francisco Police Department, who rose to the moment, and embraced the meaning of Black lives matter in ways that are heartfelt and moving."

We will engage in just, transparent, unbiased and responsive policing; do so in the spirit of dignity and in collaboration with the community; and we will maintain and build trust and respect as the guardian of constitutional and human rights.

When any member of the San Francisco Police Department or Police Commission is asked the question "Do Black lives matter to the San Francisco Police Department or Police Commission?" the answer is definitively and resoundingly – YES!

Answering Yes is not enough, however. It's important to the members of the San Francisco Police Department that you know why Black lives matter to us.

The following is our "Why" from every corner of the SFPD:

### **SFPD Command Staff**

We are committed to respect, dignity, equity, inclusion, and healing.

### **Special Operations Bureau**

Black lives matter because the sanctity of human life, equity, and marginalized voices matter to us.

### **Investigations Bureau**

Black lives matter to us means seeking peace and justice for victims, affected families, and the community.

### **Strategic Management Bureau**

Some policing history has undermined trust, but will not set the standard for the future. Shared humanity and transparency builds trust. We are all in this together.

### **Airport Bureau**

Since 1619 the value of Black lives has been at the epicenter of our challenges as a nation. Caring for Black lives is not a movement but rather a way of existing that should permeate every aspect of being an American.

As eloquently stated by our Nation's 44th President, Barack Obama, "I know that there's some who have criticized even the phrase 'Black Lives Matter' as if the notion is as if other lives don't matter. We get 'All Lives Matter' or 'Blue Lives Matter'. I understand the point they're trying to make. I think it's also important to understand that the phrase 'Black lives matter' simply refers to the notion that there's a specific vulnerability for African-Americans that needs to be addressed."

Through our comprehensive and self-initiated Collaborative Reform Initiative one of our priorities is to address those vulnerabilities as well as address long standing disparities associated with policing in Black communities. Upon arrival, officers met with the victim, a 33-year-old female, who had visible injuries. Officers rendered aid and requested EMS response. The victim stated she and her two children, newborn male and 2-year-old female, were walking past an unknown adult male, who appeared homeless and was gathering up his belongings on the street. The Northern Station Investigation Team took over the investigation, which led a sketch of a suspect, a white male approximately 25-35 years old, lanky build, approximately 5'10"-6'2", with short brown hair, wearing green overalls.

# PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

## ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

## INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

## REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

## DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

## INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

## TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

## INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

## SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

## HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

## INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

For additional information, please contact SF SAFE at (415) 553-1984 or visit [sfsafe.org](http://sfsafe.org)

# PREVENT GARAGE DOOR BREAK-INS

## ANATOMY OF A SAFE GARAGE

### Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit [sfsafe.org](http://sfsafe.org).

# PACKAGE THEFT PREVENTION GUIDE

One rarely falls in love without being as much attracted to what is interestingly wrong with someone as what is objectively healthy

## WON'T BE HOME?

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

## USE SPECIAL SERVICES

Use USPS special services like *Signature Confirmation* or *Registered Mail* to add a layer of security.

## REQUEST NONDESCRIPT PACKAGING

When completing your online order, opt for packaging that conceals the item or select the 'gift' option to ensure package arrives in a plain box especially when ordering from a high-end store.

## NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

## PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

## CUSTOMIZE DELIVERIES

Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.

## DELIVER TO SECURE LOCATIONS

Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.

## USE MODERN ALTERNATIVES

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.

# YOUR BIKE HAS BEEN STOLEN. NOW WHAT?

Here's what you should do next to increase your chances of recovering your bike:

## ➔ File a Police Report

You can do this in one of three ways:

- Online at [sanfranciscopolice.org/reports](http://sanfranciscopolice.org/reports)
- Via phone by calling (415) 553-0123
- In person by going directly to your district police station

## ➔ Call or Email SF SAFE

Give us a call so we can list your bike as stolen on our database. You can reach us at (415) 553-1984 or [info@sfsafe.org](mailto:info@sfsafe.org).

## ➔ Register

If you haven't done so already, register your bike at nonprofit bike registry, [bikeindex.org](http://bikeindex.org). If you are already registered, take action to flag your bike as stolen.

## ➔ Read Up

SF SAFE recommends reading "What to Do After Your Bike Has Been Stolen" on Medium. The article has a multitude of gems about where and how to post about your bike on social media to increase chances of recovering it.

## ➔ Create a Google Alert

By creating a Google alert for bikes being sold that match the make and model of your bike, you increase your chance of finding it.

## ➔ Don't Recover Your Bike Yourself

If you see your bike for sale on Craigslist or OfferUpNow.com, don't try to recover it yourself. Contact SFPD directly.

## ➔ Keep in Touch

If the police contact you to return your bike or if you recover it, please let us know! That way, SF SAFE can keep our files updated.

Visit [www.sfsafe.org](http://www.sfsafe.org) for more safety tips!

If you have any questions, please email [safebikessf@sfsafe.org](mailto:safebikessf@sfsafe.org)

## SHARING THE ROAD WITH CYCLISTS

When it comes to safely sharing the road with cyclists, it's paramount for drivers to learn how to coexist.

### ➔ Share the Road

When out and about, drivers need to be ever-mindful of sharing the road with cyclists.

### ➔ Stay Off the Horn

Sudden honking might startle a cyclist and can cause them to swerve into traffic or off the road.

### ➔ Follow the 3 Foot Rule

Maintain a distance of 36 inches from cyclists whenever passing them. If possible, keep an even wider berth if there's bad weather or if in a higher speed limit zone.

### ➔ Mind Your Blind Spots

Drivers should double-check their mirrors when changing lanes, making turns, and especially before opening their car door after parking.

### ➔ Be Cautious with Kids

Kids can be unpredictable since their motor skills and decision-making faculties aren't fully developed. Be on alert when driving near schools and residential areas.

### ➔ Be Patient

Don't tailgate a cyclist. When you need to pass one, patiently wait until it's safe to do so.

## Safety Tips Inside Your Building

1. Stay alert in areas such as the garage, laundry room, elevators, stairwells and hallways
2. Shared areas should be well-lit and painted in white or a light color
3. While in the elevator, stand close to the control panel: if accosted, press the buttons of all floors
4. Ensure your mailbox is secure to prevent identity theft: list only your first initial and last name

## Residential Safety

Empowering Communities to Create a Safer San Francisco

[sfsafe.org](http://sfsafe.org)

Whether you live in a single family home, condo, or a large apartment complex in San Francisco, there are a number of ways you can keep your residence safe and secure. Working together as a community with your neighbors and building management can significantly improve your residential safety.

- 1 **Garage:** When entering or leaving the garage, watch to ensure door shuts completely. Lock stored bikes to a sturdy rack.
- 2 **Car:** Always lock your vehicle when parked in your garage and remove all valuables. Never leave garage door opener in your vehicle when parked outside your home.
- 3 **Spare Key:** Never hide spare keys. If you need to have a spare key available, leave it with a trusted neighbor.
- 4 **Door Buzzer:** When a visitor rings your bell, confirm who it is by intercom before you grant them access. Similarly, never let strangers follow you through the front door.
- 5 **Security Cameras & Alarm Systems:** Cost effective tools for preventing crime and identifying criminals.
- 6 **Light Timers:** Installing timers on the exterior of your residence is an effective and energy efficient way to deter criminal activity.
- 7 **Doors/Windows:** Always keep doors and windows locked.

## Door and Window Safety

### Doors:

- Should be made of solid wood or metal
- Have a single cylinder deadbolt lock and a 1-inch bolt
- Have a front door viewer or peep hole with a 180-degree range
- Clearly display unit number

### Windows:

- Replace if glass is cracked and replace all damaged or missing locks
- Ground level windows should be burglary resistant: consider purchasing windows with reinforcement wire, laminate, or tempered glass
- Polycarbonate plastic or metal grates can be installed over existing ground level windows
- Windows above ground level are not considered secure: if used for ventilation, lock in position and keep open no more than 3 inches

## Seguridad residencial

Empoderar a las comunidades para crear un San Francisco más seguro

[sfsafe.org](http://sfsafe.org)

Ya sea que viva en una casa unifamiliar, condominio o gran complejo de apartamentos en San Francisco, hay varias maneras de mantener su residencia segura. Puede mejorar mucho su seguridad residencial trabajando en comunidad junto con sus vecinos y con la gerencia del inmueble.

- 1 **Garaje:** al entrar o salir del garaje, observe para asegurarse de que la puerta se cierre completamente. Asegure con llave las bicicletas a un portabicicletas fuerte.
- 2 **Automóvil:** siempre cierre su vehículo con llave cuando lo estacione en su garaje y retire todos los objetos de valor. Nunca deje el abridor de la puerta del garaje en su vehículo cuando lo estacione fuera de su hogar.
- 3 **Llave de repuesto:** nunca oculte llaves de repuesto. Si necesita tener una llave de repuesto disponible, déjela con vecinos de confianza.
- 4 **Timbre de la puerta:** cuando un vecino le toque el timbre, verifique quién es por el intercomunicador antes de permitirles el acceso. En forma similar, nunca deje que desconocidos lo sigan cuando entra por la puerta principal.
- 5 **Cámaras de seguridad y sistemas de alarma:** herramientas económicas para prevenir la delincuencia y para identificar a delincuentes.
- 6 **Temporizadores de luces:** instalar temporizadores en el exterior de su residencia es una manera eficaz y eficiente con el uso energía para disuadir la delincuencia.
- 7 **Puertas y ventanas:** siempre mantenga aseguradas las puertas y ventanas.

Mantenga la propiedad en buenas condiciones. Para mayor seguridad mantenga la visibilidad con sus vecinos.

## Seguridad con puertas y ventanas

- Puertas:**
- Deberían ser de madera sólida o de metal
  - Tener un cerrojo dormido de un cilindro que tenga un pestillo de 1 pulgada
  - Tener un visualizador de puerta principal o mirilla con un rango de 180 grados
  - Mostrar claramente el número de la unidad

- Ventanas:**
- Reemplazar el vidrio rajado y reemplazar cualquier seguro que falte o que esté dañado
  - Las ventanas a nivel de la calle deberían ser a prueba de intrusos: considere comprar ventanas reforzadas con malla de alambre, laminadas o templadas
  - Se puede instalar plástico policarbonato o rejillas de metal sobre ventanas existentes a nivel de la calle
  - No se considera que las ventanas por encima del nivel de la calle sean seguras: si las usa para ventilación, asegúrelas en su posición y no las abra más de 3 pulgadas

## 住宅安全

加強社區力量，創造一個更安全的三藩市

[sfsafe.org](http://sfsafe.org)

無論您住在三藩市的獨棟家庭住宅、共渡公寓 (康斗) 或大片公寓住房，您可以利用下述方法保持您住所的安全。和鄰居及建築物管理單位共同合作，發揮守望相助的精神，以大幅改善住宅安全。

1. **車庫：**進入或離開車庫時，注意車庫門務必完全關上。收納自行車時，請鎖在牢固的車架上。
2. **汽車：**停在車庫內的車子要鎖上，並帶走所有的貴重物品。將車停放在自家住宅外時切勿將車庫門遙控器留在車內。
3. **備用鑰匙：**切勿藏起備用鑰匙。如果您需要一把備用鑰匙，請將它交給可信任的鄰居保管。
4. **門鈴：**當有訪客按您的門鈴時，先用對講機確認來者何人後再讓其入內。同樣地，切勿讓陌生人跟隨您通過前門。
5. **監視攝影機和警報系統：**是防止犯罪和指認罪犯的高成本效益工具。
6. **燈光定時器：**在您住宅外部安裝定時器是一種遏止犯罪活動的有效且節能的方式。
7. **門 / 窗：**隨時保持門窗鎖上。

### 門窗安全

門：

- 應以實心木或金屬材質製成
- 有一個單圓座固定栓鎖和一個一英寸的螺絲
- 有一個視角涵蓋180度的前門觀看裝置或窺視孔
- 清楚顯示門牌號碼

窗：

- 如果窗戶玻璃有裂縫要更換，並且應更換所有缺損的鎖
- 地面樓層的窗戶應具有防盜功能：考慮購買含有強化金屬絲、層壓板或強化玻璃的窗戶
- 可在現有的地面樓層窗戶上加裝聚碳酸酯塑膠或金屬材質的格柵
- 地面樓層以上的窗戶並不安全：如果用來通風，請將它鎖好並且不要打開超過3英寸

保持住宅良好的維修狀態。讓鄰居看得到您的住宅，以增加安全性。

## BART is Going Clipper-only systemwide

BART is accelerating its expansion of the number of stations where Clipper is the only fare product available for purchase. This will help create a more contactless system in the era of COVID-19.

**All stations will be transitioned to Clipper-only sales in 2020, with one or more stations converted each week.**

Riders will still be able to use paper tickets at all stations.

Visit [bart.gov/clipper](http://bart.gov/clipper) for more information.

## BART ampliará las ventas exclusivas de Clipper en todo el sistema de estaciones a lo largo de 2020

[www.clippercard.com](http://www.clippercard.com)

BART está acelerando la expansión del número de estaciones en las que Clipper es el único producto que podrá adquirirse para viajar. BART ha estado eliminando la venta de boletos de papel desde agosto de 2019. Una o más estaciones se convertirán cada semana durante 2020.

### Experiencia sin contacto

Acelerar este esfuerzo ayudará a crear una experiencia con menos contacto para el pasajero en la era de la COVID-19. El uso de Clipper permite a los pasajeros evitar el contacto directo con las puertas de acceso, ya que la tarjeta solo debe sostenerse sobre el lector de tarjetas de la puerta de acceso sin tocarla.

Si bien los boletos de papel ya no estarán disponibles para la compra, los pasajeros aún podrán usar boletos de papel para entrar o salir a través de las puertas de acceso en todas las estaciones. Los pasajeros también podrán agregar suficiente tarifa a un boleto de papel para salir de la estación mediante las máquinas de recarga de tarifa ubicadas dentro del área de pago.

### Beneficios de Clipper

La región ha priorizado el uso de Clipper como la tarjeta de transporte todo en uno del Área de la Bahía, administrada por la Comisión Metropolitana del Transporte (Metropolitan Transportation Commission, MTC). Además de ser sin contacto, la tarjeta Clipper tiene muchas ventajas en comparación con los boletos de papel:

- Clipper permite ahorrar dinero. Los boletos de papel para adultos tienen un recargo de 50 centavos en cada viaje, lo que equivale a \$1.00 por viaje de ida y vuelta. La tarjeta Clipper tiene un costo único de adquisición de \$3.00, que se amortiza en solo 3 viajes de ida y vuelta.
- La tarjeta Clipper es reutilizable y de larga duración.
- Casi todas las agencias de transporte de la región aceptan Clipper. Muchas otras agencias ofrecen tarifas con descuento cuando se usa Clipper.
- Los pasajeros pueden configurar su cuenta de tarjeta Clipper para hacer recargas automáticas.
- El importe cargado en la tarjeta Clipper está seguro cuando se registra. Si pierde la tarjeta, el saldo se puede reemplazar por una tarifa nominal.
- Las tarjetas Clipper se pueden comprar en cada estación BART y en muchos puntos de venta en toda la región.

Los clientes pueden usar Clipper de forma anónima. Las tarjetas Clipper no requieren registro. Es necesario registrarse para obtener beneficios adicionales, como la carga automática y la protección del saldo.

Para obtener una tarjeta Clipper en línea, encontrar ubicaciones para la compra en persona o detalles sobre cómo obtener una tarjeta de descuento para personas mayores, discapacitadas o jóvenes de 18 años o menos, vaya a [www.clippercard.com](http://www.clippercard.com).

# BART 將在 2020 年擴增全系統只售 Clipper 卡的車站數量 [www.clippercard.com](http://www.clippercard.com)

BART 正在加速擴增只售賣 Clipper 卡一種車票產品的車站數量。從 2019 年 8 月開始，BART 已逐步淘汰紙質車票的銷售。在 2020 年的每一個星期，都會有一個或多個捷運站完成轉換。

## 無接觸體驗

加速進行這項工作，將有助於我們在新冠肺炎 (COVID-19) 疫情期間，打造更全面的無接觸乘客體驗。當乘客使用 Clipper 卡時，只要將卡片懸置在閘門讀卡機上方就能感應票卡，而不必直接碰觸驗票閘。

雖然紙質車票將停賣，但乘客還是可以用紙質車票進出所有捷運站。另外，設在付費區域內的補票機也能為紙質車票充值，讓乘客補足出站所需的車費。

## Clipper 卡的優點

本地區優先推行使用 Clipper 卡，讓這張由都市運輸委員會 (Metropolitan Transportation Commission) 管理的票卡能在灣區所有公交系統中一卡通用。除了無接觸外，Clipper 卡還有許多紙質車票所沒有的優點：

- Clipper 卡可為您省錢。使用成人紙質車票，單次車程需付 \$0.50 附加費，來回就要 \$1.00。Clipper 卡的初次購卡費是 \$3.00，只要來回 3 趟就可以回本。
- Clipper 卡可長期重複使用。
- 本地區幾乎所有交通機構都接受 Clipper 卡。許多其他機構也為使用 Clipper 卡的乘客提供車費折扣。
- 乘客可以設立自己的 Clipper 卡帳戶，讓卡片自動充值。
- 當乘客註冊時，Clipper 卡上的充值金額可以獲得保障。萬一卡片遺失，只要付少許費用就能拿回餘額。
- Clipper 卡在所有 BART 捷運站以及本地區許多零售點均可買到。

乘客可以匿名使用 Clipper 卡。Clipper 卡不需註冊。註冊可享更多好處，如自動充值和餘額保障。若想上網購買 Clipper 卡、尋找實體銷售點，或詳細了解如何為老人、殘障人士或 18 歲以下未成年人申辦折扣卡，請瀏覽 [www.clippercard.com](http://www.clippercard.com)。

## Worried about novel coronavirus (COVID-19)? 擔心感染新型冠狀病毒？ Nagaaalala ka ba tungkol sa coronavirus? ¿Está preocupado por el nuevo coronavirus?

Follow these common sense health practices now to protect against seasonal cold and flu including novel coronavirus if it comes to our community.

應按照衛生常識的做法預防季節性流感和感冒，包括新型冠狀病毒，若出現在社區內傳播的情況。

Gawin ang mga sumusunod na mga pangkaraniwang pamamaraan sa pag-alaga ng kalusugan para labanan ang seasonal na lagnat at trangkaso kasama ang novel coronavirus kung sakaling dumating ito sa inyong komunidad.

Sigua estas sensatas prácticas sanitarias hoy mismo para protegerse durante la temporada del catarro, la gripe e incluso el nuevo coronavirus, si es que llega a nuestra comunidad.

1

Wash your hands often with soap and water, for at least 20 seconds.

使用肥皂和清水洗手，並搓手至少 20 秒。

Dalasan ang paghugas ng inyong mga kamay ma hindi baba sa 20 segundo gamit ang sabon at tubig.

Lávese las manos frecuentemente con agua y jabón por lo menos unos 20 segundos.

2

Cover your cough and sneeze. If you are sick, face masks can prevent spread of germs to others, but are not recommended to prevent getting sick. Face masks are NOT a substitute for handwashing.

咳嗽或打噴嚏時應掩蓋口鼻。生病時佩戴口罩可防止將病菌傳播他人，並不建議使用口罩預防疾病。口罩無法取代洗手。

Takpan ang inyong pagtubo at pagbahing. Kung ikaw ay may sakit, makakatulong ang paggamit ng face mask sa pagiwas ng pagkalat ng mikrobyo, ngunit hindi ito inirekomenda para maiwasan ang sakit. Ang pagsuot ng face ask ay hindi kapalit ng paghugas ng kamay.

Cúbrase la tos y los estornudos con el brazo. Si está enfermo, las máscaras pueden evitar la propagación a los demás pero no se recomiendan para evitar enfermarse. Las máscaras no sustituyen lavarse las manos.

3

Stay home when sick. If you or someone you live with has returned from China in the past 14 days, and are now sick, call your doctor and give your symptoms and travel history.
