CABLE Special Events Subsystem Deactivation

The CABLE system is over forty years old and there is an on-going process to modernize our system. As part of this process, the Special Events Subsystem in CABLE (via Level II) was deactivated on March 8th, 2021.

The de-activation of the Special Events Subsystem in CABLE will not affect any Station or Bureau requesting a Special Event number. District Stations and Bureaus shall continue to contact the Field Operations Bureau for all such requests.
