Captain Nicole Jones' Message

Thu July 2, 2021

Hello, Ingleside Community!

We are knee deep in summer, and wading into July. Fireworks continue to be on the forefront of the community's mind. To piggyback off last month's message, please call 311 if you see someone lighting off fireworks, can give an exact location of occurrence, and can describe the suspect. Please call 911 to report actual fires and injuries related to fireworks use. If you have information regarding the illegal possession or sales of fireworks by a specific individual or location, please consider calling our anonymous tip line at 415-558-5588 if you feel more comfortable. As always, please keep 911 available for people with police, fire, or medical emergencies.

The Captain's Tip of the Month for July 2021 is:

REMEMBER TO CLOSE ANY OPEN WINDOWS BEFORE YOU LEAVE HOME.

I'd also like to extend this to nighttime hours as well, even if you may be home. Windows are increasingly left open in warmer weather. Any open windows that are easily accessible are targets for burglars. This includes ground floor windows and second story ones with trees in close proximity. We have had several incidents in the Ingleside District recently in which trees were climbed to access open second story windows, resulting in hot prowl burglaries.

Captain's Message continued:

As statewide pandemic restrictions lift, more people are returning to the streets. I want to reiterate the importance of staying alert and mindful of safety. Protect yourself from becoming a target of thieves. You can do this by taking the following safety precautions:

- Avoid holding your cell phone and/or wearing headphones or earbuds while walking or using public transportation.
- Be careful of leaving your cell phone on the table while dining in restaurants.
- Only bring essential items with you while out and about.
- Never leave your valuables unattended!

I also wanted to highlight that the option is now open for members of the public to attend Ingleside Station's next community meeting in person. As of now, we are continuing to use Zoom for these meetings, but have also opened up the meeting to in-person participation as well. I encourage people to attend in the manner they feel most comfortable with in July.

In closing, here's this month's "Finn for the Win," crime tips from my seven-year-old, Finn, for the Ingleside Community...

Per Finn: "Don't pick golden poppies. My brother did that. He should be in jail, but he said it was an "accident.""

In his brother's defense, he was picking the flower for me and didn't realize it was special. He sure knows now. Finn made sure of it.

Also, per Finn: "Never steal stuff because it's bad and you can go to jail."

I think we can all agree on this.

Please join SFPD Ingleside Station and SF SAFE for a

VIRTUAL COMMUNITY MEETING WITH CAPTAIN JONES

**Tuesday, July 20, 2021

How to Join SFPD's Virtual Community Meetings

Participating in the SFPD's Community Meetings is one of the best ways San Francisco community members can engage in community policing, interact with local SFPD station leadership, and stay updated on crime trends and police activities.

RSVP to community@sfsafe.org

Start off by RSVP-ing to any SFPD Virtual Community Meeting by emailing community@sfsafe.org. Be sure to state which station you are attending or the date/time and captain's name (info included on flyer).

Complete the Registration Form

After sending the email to RSVP, SF SAFE will send you a brief registration form requesting your name, email, phone number, and questions for the captain. When filling out the form, please be sure to answer them completely and correctly. If you don't have any questions, feel free to put "none" or "N/A" so the form will go through.

Be Sure to Click "Submit"

Once the registration form is properly completed, click "**submit**" for the form to go through. A "*thank you for submitting the form*" page should appear so you know your registration was processed.

Receive Zoom Link

A few days before the Community Meeting, you will receive the Zoom link for the meeting via email, as well as a separate email confirming that the Zoom link has been sent. Please check your junk/spam mail and other folders to ensure the Zoom link doesn't end up there.

If you have any questions related to registering for the SFPD Virtual Community Meetings, please contact SF SAFE at (415) 553-1984 or email us at community@sfsafe.org

Notable Ingleside Arrests & Incidents

Although every arrest and incident occurring in the Ingleside District isn't mentioned in our weekly newsletter, our officers are out there every day, working to make the Ingleside District a safer place. In this section of our newsletter, we want to take time to highlight the excellent work being done by our officers. We want to bring attention to these incidents and extend some well-deserved appreciation to the officers involved in these notable incidents.

Thank you, and keep up the great work!

06-26-21 / 12:42 p.m. / Stolen Vehicle Arrest at Persia Ave. & Mission St.

Officers Quinlan and Chew were on patrol when they observed a vehicle illegally parked inside a bus zone, and without current registration tabs displayed on the rear license plate. As the officers drove past the vehicle, they conducted a registration check on the license plate, which revealed that the vehicle was reported stolen. As Officer Quinlan turned their patrol vehicle around, they observed that the vehicle also had a different license plate displayed on the front end than the one they initially observed affixed to the rear. As Officer Quinlan positioned his patrol vehicle behind the stolen vehicle and initiated a stop on the stolen vehicle, a passenger exited the vehicle and began to walk away, but was soon detained without incident by Officer Chew. Officer Quinlan detained the operator of the stolen vehicle without incident as well, and they initiated a thorough investigation into the vehicle and its occupants.

In the course of their investigation, the officers confirmed that the vehicle was stolen, but also that neither of the two displayed license plates belonged to the vehicle. The vehicle's operator initially provided false identification to Officer Quinlan, but through his exhaustive efforts, he was able to determine not only her true identity, but also the fact that she had an active warrant for her arrest. The vehicle operator was subsequently arrested and booked for possession of the stolen vehicle, as well as her outstanding warrant. Report number 210400268.

Burglary

Officers Buckner and Orlando responded to a report of a possible residential burglary. Upon arrival, the officers observed a damaged glass window leading to the basement. The victim stated that she was home when she heard noise coming from the front of her home. Believing someone was breaking into her home, the victim looked out her window and observed multiple unknown subjects in front of her home, walking away from the building. The victim identified fresh damage to her window, which appeared as if someone had attempted to pry it open. Report number 210403682

06:10 a.m. 5300 Block of Mission St.

Burglary

Officers Valdez and Tatlow responded to a report of a commercial burglary. The officers met with a witness, who stated that he was walking by the business when he saw broken glass at the front of the business. The officers were able to locate the business owner, who confirmed that someone had broken the front glass door to the business, and also broke an interior door. The victim also determined that a large amount of store merchandise had been stolen from inside his business. Report number 210403820

10:50 a.m. 100 Block of Vienna St.

Burglary

Officers Peregrina and Dedet responded to a residential burglary. A victim informed the officers that he was sleeping at home when he was awoken by what sounded like someone attempting to force open his front door. When the victim went to check, he observed an unknown subject standing in the threshold of the front door, with another unknown individual standing behind him. The victim also observed fresh damage to the front door. The victim called out to the subjects, who then ran to a waiting vehicle, and fled the scene. Report number 210404323.

Arrests:

09:00 p.m. 500 Block of Banks St.

D.U.I. Arrest

Officers Yap and Chang responded to a report of a vehicle collision between a motorist and multiple parked/unoccupied vehicles. The officers located the motorist, detained her without incident, and observed objective symptoms to indicate that she appeared to be under the influence of alcohol. The officers also located evidence to support their observations. In the course of their investigation, the officers administered field sobriety tests, which helped to determine that the motorist had been driving while under the influence of alcohol. The motorist was subsequently arrested and charged for multiple charges, including driving under the influence of alcohol and failure to provide vehicle insurance. Report number 210403353

Serious Incidents:

08:45 p.m. 300 Block of Laidley St.

Burglary

Officers Johnson and Yu responded to a report of a residential burglary. The victim stated that she awoke to find her refrigerator open, and personal items missing from inside her home. The victim also determined that some items had been left behind by whoever had entered her home. The victim believed that the suspect may have entered her home through an unlocked rear door. The officers processed the scene for evidence, and the incident remains under investigation. Report number 210401959

07:08 p.m. 5100 Block of Mission St.

Robbery

Officers Ramirez and King responded to a report of a robbery. The victim stated that he was standing on the sidewalk waiting for a MUNI bus, with his money in his hand. An unknown subject approached, and grabbed the victim's money. A struggle ensued, and the suspect was able to forcefully take the victim's money. The suspect then ran away on foot. Numerous officers searched the area for the suspect, with negative results. Report number 210403137.

San Francisco Police Are Seeking Public Assistance in Locating Second Suspect in Jace Young Homicide Investigation

As the one-year anniversary of Jace Young's murder approaches, the SFPD have obtained an arrest warrant for the remaining suspect.

On July 4, 2020, at approximately 10:44 p.m., San Francisco Police responded to the unit block of Whitfield Court for a report of a shooting. Officers arrived and found a juvenile victim suffering from a gunshot wound. The victim, 6-year-old Jace Young, was transported to the hospital with life-threatening injuries. Despite the best efforts of the medical staff, Jace succumbed to his injuries. A second shooting victim was taken to a local hospital with non-life-threatening injuries.

An investigation by the SFPD Homicide Detail led to the identity of a suspect. On January 6, 2021, SFPD Homicide investigators arrested 18-year-old James Harbor of San Francisco and booked him on charges of homicide (187 PC), attempted homicide (664/187 PC), and carrying a loaded firearm with the intent to commit a felony (25800(a) PC).

The further investigation led to the identify of a second suspect, 18-year-old Deshaune Lumpkin of San Francisco. SFPD Homicide investigators obtained an arrest warrant for Lumpkin (who was 17 years old at the time of the incident) for the violations of murder (187 PC), attempted murder (664/187 PC), carrying a loaded firearm with the intent to commit a felony (25800(a) PC) and conspiracy (182(a)(1) PC).

Homicide investigators are asking Lumpkin, who has ties to the Bayview District community, to turn himself in at any San Francisco Police Station.

San Francisco Police Arrest Wanted Suspect for Assault on Police Officers

On Tuesday, June 29, 2021, at approximately 3:20 pm, San Francisco Police officers assigned to the Community Violence Reduction Team (CVRT) arrested a fugitive on parole who had two active felony warrants for his arrest related to robbery and firearms violations. The fugitive was identified as 26-year-old San Francisco male resident, Miller Jernigan. Through the course of the investigation CVRT officers located Jernigan at 4th and Bryant Streets inside a parked vehicle and attempted to detain him. Jernigan immediately rammed his vehicle into a police vehicle and reversed into another vehicle more than once. Officers on foot saw Jernigan driving the vehicle in a violent manner and approached the vehicle. One of the officers shattered a window to gain access to Jernigan. Jernigan stopped driving, exited the vehicle and was placed into custody. Jernigan's violent driving actions caused two officers to be injured. One officer was transported to the hospital where he was treated and released for non-life-threatening injuries and a second officer was treated and released by medics for non-life-threatening injuries.

Officers searched Jernigan's vehicle and located a stolen loaded handgun. Officers also located stolen property, which was taken from tourists from an earlier auto burglary. Officers seized the stolen property and returned items to the tourists. The investigation also discovered that Jernigan's vehicle license plate was for a different vehicle, which they seized.

Jernigan was booked into San Francisco County Jail for three counts of assault upon a police officer with a deadly weapon other than with firearm (245(c) PC), felony charge for convicted person in possession of firearm (29900(a) PC), convicted felon in possession of firearm (29800(a)(1) PC), carrying loaded firearm in vehicle (25850(a) PC), carrying concealed weapon in a vehicle (25400(a)(1) PC), prohibited person in possession of ammunition (30305(a) PC), possession of stolen property (496(a) PC), and parole violation (3056 PC).

Fireworks Safety Information for Independence Day

The San Francisco Police and Fire Departments and the Department of Emergency Management are reminding residents and visitors that all fireworks (including those branded as “Safe and Sane”) are illegal in San Francisco.

MUNICIPAL CODE SEC. 1290. DISCHARGE OF FIREWORKS PROHIBITED.

“No person or persons, firm, company, corporation or association shall fire or discharge any fireworks of any kind or description within the limits of the City and County of San Francisco. Provided, however, that public displays of fireworks may be given with the jointly written consent of the Fire Marshal and the Chief of Police”.

Important warnings about fireworks:

- Each year more than 12,000 fireworks-related injuries, half of them children, are treated in hospital emergency rooms. Possession of fireworks such as skyrocket, bottle rockets, roman candles, aerial shells, firecrackers and other types that explode, go into the air, or uncontrollably move on the ground can lead to a citation or an arrest.
- More than 25% of the children injured by fireworks are innocent bystanders.
- Something as simple as a sparkler burns at temperatures of up to 1,800 degrees! That’s hot enough to melt gold.
- Firework incidents cause millions of dollars in property loss each year, including vegetation fires that threaten homes and whole communities.

Information on Reporting Noise:

We are aware of the noise generated by fireworks and how that impacts many in our communities. Police officers and firefighters will be out in the field working on mitigating these complaints. If you feel it is necessary to call, complaints about fireworks and noise should be directed to the non-emergency dispatch line at 1-415-553-0123.

Information on Reporting Fireworks Use:

San Francisco's public safety partners strongly urge San Franciscans to keep themselves and their neighborhoods safe this year. "If you see something, say something." In San Francisco, report illegal fireworks only if you see the person lighting them, can describe them and can give an exact location or address, by calling the SFPD non-emergency line at 1-415-553-0123.

Information on Response to Emergencies:

Public safety agencies prioritize all 911 and non-emergency calls based on the severity of the incident. During holidays when fireworks are prevalent, public safety dispatchers must triage calls to determine the appropriate response with available resources. The police department may not be able to respond to every firework related call unless fires or injuries are involved.

Stay informed, and do your part to help keep the 4th of July fun for everyone:

Please keep 911 available for people with police, fire, or medical emergencies.

San Francisco's Independence Day Fireworks Display:

The City and County of San Francisco is holding Independence Day fireworks show on along the San Francisco waterfront on Sunday, July 4, 2021, starting at 9:30 p.m. You can watch fireworks from vantage points along San Francisco's waterfront. Note: Due to COVID-19, there are no City sponsored festivals or gatherings this July 4th and the State of California strongly recommends that anyone planning to attend the Fourth of July fireworks be fully vaccinated, obtain a negative COVID-19 test prior to attending the event, or wear a face covering.

Treasure Island Access:

In the interest of public safety, Treasure Island Development Authority **strongly discourages the public from visiting Treasure Island during July 4th, 2021, due to ongoing construction** activities related to the Treasure Island Development Project. Viewing areas for fireworks show and parking will be extremely limited and roadways into parking areas will be inaccessible. We thank you in advance for your cooperation.

San Francisco Police Announce \$25,000 Reward in 2016 Tenderloin Homicide Investigation

On September 30, 2016, at approximately 4:30 a.m. San Francisco Police officers responded to a shooting on the 700 block of Ellis Street. Upon their arrival they encountered the victim, 24-year-old San Francisco resident Mitchell Warren, who was suffering from a gunshot wound.

Officers rendered aid to Warren until the San Francisco Fire Department (SFFD) arrived on the scene. Warren was transported to Zuckerberg San Francisco General Hospital (ZSFGH) where, despite life-saving efforts by medical personnel, he died from his injuries.

On July 25, 2018, the San Francisco Police Department held a press conference at Police Headquarters to request the public's assistance in solving this homicide. The Department's Investigations Bureau provided information including surveillance video and still photographs of the suspect. Members of the victim's family were also in attendance and appealed for witnesses to come forward.

During the course of this ongoing investigation, surveillance video of the suspect was located. The surveillance video shows the suspect riding on the handlebars of a bicycle. The individual pedaling the bicycle has already been identified. Also see SFPD News Release 18-098.

Homicide investigators are asking for assistance in identifying the subject riding on the handlebars of the bicycle. A photo of the victim was provided by his family and accompanies this news release. To view video and still photos of the suspect, click on this link: <https://vimeo.com/280642862>.

Police Locate Wanted Homicide Suspect Robert Newt

On May 15, 2021, at approximately 10:08 am, San Francisco Police officers from Bayview District Police Station responded to the area of 25th and Connecticut Streets regarding a shooting. Upon arrival, officers located a 61-year-old male victim suffering from apparent gunshot wounds. The victim was transported to a local hospital where he later succumbed to his injuries.

On May 15, 2021, at approximately 12:26 pm, San Francisco Police officers were in the area investigating the earlier homicide when they responded a report of shots fired on the unit block of Dakota Street. Officers located two adult males suffering from gunshot wounds. The victims, ages 49 and 54, were transported to a local hospital. Despite life-saving efforts, the 54-year-old victim succumbed to his injuries. The 49-year-old victim was hospitalized and later released.

Investigators from the SFPD Homicide Detail took over both investigations and identified 32-year-old Robert Newt as the suspect in both incidents. Two arrest warrants were issued, one for murder, and the second for murder and attempted murder. In addition Newt had a federal warrant issued for firearms related charges.

On Saturday June 26, 2021, Robert Newt was located by Livermore Police officers and was taken into custody. Newt was transported to Santa Rita Jail where he was booked on his warrants. Newt will be transported to the custody of San Francisco County Sheriff's at a later date.

The San Francisco Police Department would like to thank the Livermore Police Department and all of those who assisted in locating and arresting Newt.

San Francisco Police Make Arrest in OMI Serial Vandalism Investigation

In April of 2021 investigators from the Taraval Station Neighborhood Team (TNT) began an investigation into a series of vandalism crimes in the Ocean Avenue area of San Francisco. The investigation led to the identity of Steven Gaffney, 43 of San Francisco as a suspect. Investigators determined that Gaffney was responsible for a series of window smash vandalisms and burglaries in the Taraval, Ingleside, Mission and Central Police Districts.

On June 21, 2021, at approximately 9:15 p.m., Taraval Station officers located and arrested Gaffney on the 100 block of Holloway Avenue. Gaffney was later booked at the San Francisco County Jail for the following: three counts of burglary (459 PC, 2nd degree), thirteen counts of felony vandalism (594(b)(1) PC), three counts of possession of burglary tools (466 PC), committing a felony while armed with a deadly weapon (12022(b)(1) PC), and a probation violation (1203.2(a) PC). Gaffney is on probation in San Francisco for a prior vandalism incident.

The cost of damages to victim businesses is estimated to be over \$35,000.

While an arrest has been made, this remains an open investigation. Anyone with information is asked to call the SFPD TIP line at 1-415-575-4444 or Text a Tip to TIP411 and begin the text message with SFPD.

"I am grateful to the Taraval Station officers and investigation team for their hard work and diligence. As our City recovers from this terrible pandemic, we must support our small businesses and protect the community from violence," said Supervisor Myrna Melgar. "I look forward to continuing to work with the department to ensure safety and collaboration to maintain the public order and support the conditions for our neighborhoods to thrive. I am appreciative of the good work of our beat officers and their community policing approach that rely on their relationships and knowledge of people and businesses here".

Ingleside Officer of the Month / July 2021

Ingleside Station's Lieutenant Harvey would like to introduce our readers to our Ingleside Station Officer of the Month for July, Officer Roderick Suguitan:

"Officer Roderick Suguitan is being honored as Ingleside Station's Officer of the Month for July 2021 for his dedication to the Ingleside Community, his commitment to public safety, and his service to the City and County of San Francisco.

With two decades of law enforcement experience under his belt, Officer Suguitan started his service to the City of Saint Francis working for the San Francisco Sheriff's Department. In 2006, Officer Suguitan joined the San Francisco Police Department. Officer Suguitan worked at Northern and Mission Stations prior to being assigned to Ingleside Station in 2008. Officer Suguitan has been patrolling the streets of the Ingleside District ever since. His dedication, professionalism, and positivity are the hallmarks of his work ethic."

Officer Suguitan (affectionately known to us all as "Sugi") is respected and admired by his fellow officers, his supervisors, and the many new recruits that he has instructed as a field training officer. Congratulations, Sugi!

Ingleside Citizen of the Month / July 2021

The Citizen of the Month for July is Debra Estrin. Debra was born and raised in the Miraloma Park neighborhood, and she attended area schools in her youth. Debra eventually obtained her Bachelor's Degree in Criminal Justice Administration from San Diego State University, and later graduated from San Francisco Law School. Debra's work experience has had her working in law enforcement with the State and Federal governments, at the State Bar of California, as a Prosecutor for the Tulare County District Attorney's Office, and as a self-employed attorney. Debra's involvement in community work took her to organizations that provided mentoring and scholarships for former foster youth that had a desire to attend college, and assisting teens that had dropped out of high school or had fallen behind scholastically.

For the past three years, Debra has been on the Board of Directors of the Miraloma Park Improvement Club, and Chair of the Safety Committee. The Safety Committee promotes crime prevention through education, gathers and shares reports of criminal activity and safety tips with the Miraloma Park neighborhood, and performs safety-related advocacy for Miraloma Park with City agencies. As a representative of Miraloma Park, Debra was invited by then-Ingleside Captain Hart to be a member of Ingleside Station's Community Police Advisory Board, providing her with the opportunity to be involved in National Night Out. Congratulations, Debra!

Definition of Community Policing

Community policing, or community-oriented policing, is a strategy of policing that focuses on police building ties and working closely with members of the communities.

- Homeless Outreach and Outreach to Drug Users: Ingleside Station officers coordinate with city agencies to provide outreach and assistance to rehabilitate those who are dependent on illegal drugs and outreach to homeless individuals to connect them with resources and support.
- Foot Patrols: Ingleside Station has foot beat officers assigned to the Geneva, Leland and Cortland corridors.
- Monthly Police Community Relations Meetings: Community Meetings are held continuously. Station personnel also attend meetings with merchant groups, business groups, development authorities and others. Concerns are voiced and addressed through problem solving.
- Email Updates: Ingleside Station sends out newsletter updates to residents in the District that alerts residents of crime trends, upcoming community events, crime prevention tips, and information on how to contact officers at the District Station.

Definition of Suspicious Activity

Suspicious activity is any observed behavior that could indicate a crime-related incident has been committed, or about to be committed. Unusual items or situations: A vehicle is parked in an odd location, a package/luggage is unattended, a window/door is open that is usually closed, or other out-of-the-ordinary situations occur.

The following are some examples of Suspicious Activity that are “In progress” crimes, which demand an immediate call to 9-1-1:

- ◆ An individual peering into vehicles, to try, and locate any valuables left unattended.
- ◆ An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- ◆ An individual checking front doors of residences to locate any unattended packages, or individuals following delivery trucks to see where the truck is dropping off packages.

**See something.
Say something.**

Crime Definition

Robbery – Robbery is the taking of property from another by using force or by using fear.

Assault – An assault is an unlawful attempt, coupled with the present ability, to commit a violent injury on another person.

Battery - (Misdemeanor battery) is any willful and unlawful touching of another.

(Felony battery) is the use of force or violence upon the person of another that causes serious bodily injury.

***Assault** is when a person swings their arm and **battery** is when that arm makes contact with another person.

Aggravated Assault – Assault upon another person with a deadly weapon or instrument other than a firearm or by any means of force likely to produce great bodily injury.

Burglary – The intent upon entry into a property to commit grand theft, petty theft, or any felony.

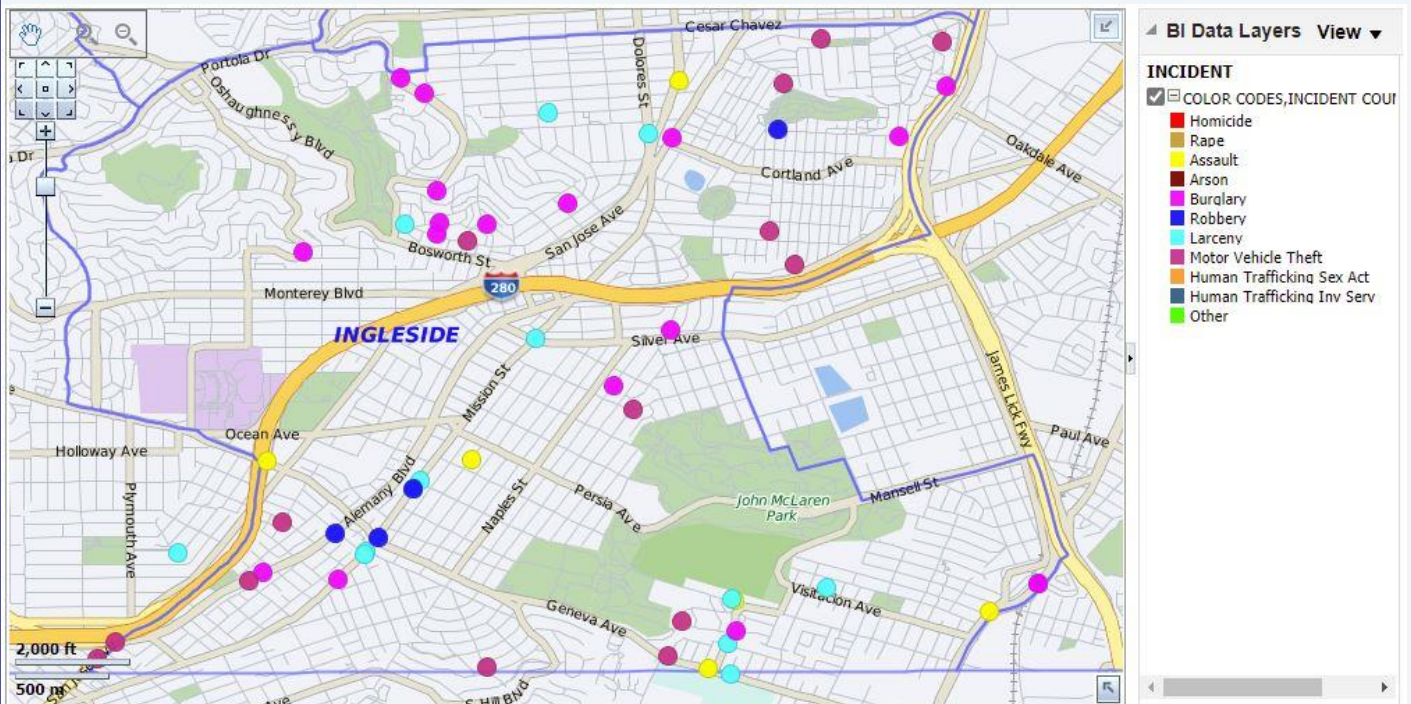

Grand Theft – Grand theft is theft committed when the value of the money, labor, or property taken exceeds \$950.

Petty Theft – Theft where the value of the property taken is less than \$950.

3 steps to help seniors get vaccinated

San Franciscans ages 65 and older are eligible to get the COVID-19 vaccine.

Vaccines are free to people who live or work in San Francisco.

You do not need insurance to book an appointment.

1 Find a list of vaccine sites at sf.gov/GetVaccinated

If you have limited internet access, call the state hotline at (833) 422-4255 for help with booking at some sites.

In addition to larger vaccine sites, there are many neighborhood locations which may change depending on need. All changes to vaccine sites are updated on the website so check back frequently.

Check each vaccine site to see if there are appointments available.

Supply is limited, and you may not be able to book an appointment right away. Keep checking back.

2 Book an appointment

Book an appointment online at sf.gov/GetVaccinated

If you are assisting someone to book an appointment you will need their information:

- Name
- Date of birth
- Address
- Insurance (only if they have it)

3 Check transportation options and accessibility for the vaccine site before you go

Muni and Paratransit are free for anyone traveling to and from COVID-19 vaccine appointments. SFMTA is also providing additional access to taxi service for those using the Essential Trip Card.

- Visit sfmta.com/COVID#MuniService for details.
- Visit sfmta.com/Paratransit to learn more about Paratransit and the Essential Trip Card.

Most walk-thru sites have drop-off zones and are fully wheelchair accessible.

- If wheelchair assistance is needed, just ask on-site staff and a wheelchair will be brought out to you.
- Site ambassadors will gladly direct you once on site.

Preventing “Keyless” Auto Break-ins & Thefts

Nationwide, auto break-ins and auto thefts continue to be a common occurrence due to the opportunistic nature of the crime, the speed at which the incident can occur, and the potential for rewards. As motorists and passengers, we’ve all had to become proactive in preventing this type of crime by adopting basic measures, such as securing all vehicle doors and windows, keeping all valuables and other property out of view, not leaving a vehicle running and unattended, and using steering wheel locking devices, alarms, ignition locking devices, etc.

As vehicle technology has advanced (remote entry/unlocking/starting, keyless fobs, vehicle ignitions, etc.), so have the methods used by thieves to enter vehicles to take property, or the vehicle itself. Law enforcement agencies have seen a rise in “keyless” auto break-ins and auto thefts, involving the use of electronic devices designed for the purpose of defeating wireless unlocking technology. As these types of incidents become more common, we all need to do our part to help prevent these crimes.

How does it work? In short, auto thieves are using a variety of electronic devices to intercept radio signals transmitted through key fobs and remotes. These signals include “rolling codes” which change with each press of a button, and “fixed pin codes” commonly used in older technology, such as garage door openers. Many of these devices are small, easily concealable in a pocket, and can be used to exploit signals from key fobs and remotes in order to easily unlock vehicle doors, start the vehicle ignition, and open electronic garage doors, without damage or use of force. Of further concern, is the hacking of mobile apps that allow a driver to unlock car doors through the aid of their phone.

So, how can you best prevent keyless car theft? Here are some basic habits you can practice to keep from becoming a victim:

- After locking your doors remotely, check for alarm indicator lights to be illuminated, and check to see that your car doors are locked.
- Consider storing keys and key fobs that transmit wireless signals in a small signal-blocking protective pouch. These pouches are available online and in stores, and work like the protective pouches and wallets that store passports, credit cards, and other forms of indicia that utilize radio signal technology.
- Some key fobs can be turned off. Find out if yours can, and do so when you’re away from your vehicle, or at home.
- Use technology to your advantage! Tracking devices are available which can help to monitor activity with your vehicle, and track it if stolen. Also, update any software installed on your vehicle.
- Consider placing lighting and security cameras in front of your home which not only serve as a deterrent to home burglaries, but are also positioned so as to make your vehicle readily visible and less attractive to thieves.

Keep in mind that a thief’s first instinct is to get away as soon as they’ve committed a crime, so calling in as soon as you observe suspicious activity will provide officers with added valuable time to respond. This not only helps to prevent crime, but increases the likelihood of making an arrest, and making your neighborhood safer from criminal activity.

Stay vigilant, and safe!

What is a Robbery

Robbery is the felonious taking of personal property in the possession of another, from his/her person or immediate presence, and against his will, accomplished by means of force or fear (section 211 California Penal Code.)

212 pc The **Fear** mentioned in Section 211 may be either:

1. The fear of an unlawful injury to the person or property of the person robbed, or of any relative of his or member of his family; or,
2. The fear of an immediate and unlawful injury to the person or property of anyone in the company of the person robbed at the time of the robbery.

213 (a) Robbery is punishable as follows:

(1) Robbery of the first degree is punishable as follows:

(A) If the defendant, voluntarily acting in concert with two or more other persons, commits the robbery within an inhabited dwelling house, a vessel as defined in Section 21 of the Harbors and Navigation Code, which is inhabited and designed for habitation, an inhabited floating home as defined in subdivision (d) of Section 18075.55 of the Health and Safety Code, a trailer coach as defined in the Vehicle Code, which is inhabited, or the inhabited portion of any other building, by imprisonment in the state prison for three, six, or nine years.

(B) In all cases other than that specified in subparagraph (A), by imprisonment in the state prison for three, four, or six years. (2) Robbery of the second degree is punishable by imprisonment in the state prison for two, three, or five years.

(b) Notwithstanding Section 664, attempted robbery in violation of paragraph (2) of subdivision (a) is punishable by imprisonment in the state prison.

Don't be the NEXT

VICTIM!

A Message From:
Captain Nicole Jones
Commanding Officer
Ingleside Police Station

Did You Know?

Robbers and thieves are targeting people that are on their iPhone or iPad as they exit the public transportation. Try to avoid displaying or using them in public. To maximize your personal safety, take time to plan and prepare at home to for your safety before leaving. Your worth it!

Here are a few tips you can follow to make yourself safer

- Digital music players and cell phones are a common target of thieves and robbers. Wearing headphones and ear buds greatly reduce your ability to hear and distracts you from potential dangers.
- Limit your valuables by carrying only what you need.
- When on the street, be ALERT and AWARE at all times. Keep "GOOD EYE" contact with the people around you.
- Walk with confidence and purpose. Most victims are targeted because they appear not to be paying attention to their surroundings.
- A handbag or book bag with a strap should not be worn across the body. It should be carried under that arm and released if grabbed.
- If taking public transportation, have your money or your Fast Pass ready in hand. Do not fumble with your wallet; you might draw attention to a pickpocket.
- While on public transportation (MUNI Bus) be aware that most robberies occur when the bus stops and happens to the people that are seated by the back doors.
- Trust your instincts! If you feel uncomfortable or threatened by another person(s), seek help immediately. A whistle is a great device to have when you need to call attention to yourself.

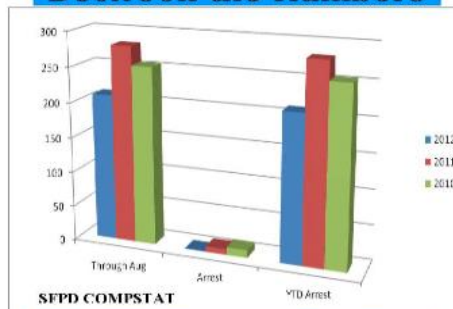

SFPD Ingleside Station

Protect Yourself

- When going home, call ahead, let someone know where you are and the route you are taking.
- There is safety in numbers walk home with another person or a group, never alone.
- Always use well lit streets, and never take short cuts.
- Have your house/car keys in hand ready to use before you get to the door.

Between the Numbers

Protect your laptop

The majority of electronic property that is stolen is because the thieves can see it! Carry your laptops in non-descript bags. Standard cases for laptops clearly portray the contents making it easier for thieves to spot in a crowd.

Safety in your car

Close the Door!

People usually feel safe when they are within a mile radius of their home so they let their guard down. Thieves know this and usually watch for people coming home that are distracted with groceries or packages. If you are like most people, you really don't check the area prior to opening your garage door. In San Francisco some garages are not attached to the home. Here are some general tips for your safety:

- Check the area visually for suspicious persons lurking or trying to conceal themselves.
- Follow your instincts drive around the block if you see someone suspicious.
- When unloading your car, if possible, close the garage door before getting out of the car.
- For a detached garage, have someone come out from the house and help.
- Never leave the car unattended in the garage while unloading.
- Never leave the keys in the ignition or trunk.
- Keep shrubs trimmed low so persons cannot hide.
- Install a motion light outside the garage and an automatic light inside.
- Make sure your remote and door are working properly.

Don't be the next... VICTIM!

Good Car Safety Habits to Adopt

1. Never leave your car running unattended.
2. Lock your doors when you get in your car.
3. If you see a motorist in distress, call 9-1-1 rather than stopping to help.
4. If you are being followed, drive to the nearest police or fire station. A populated area is a good default.
5. Keep your vehicle and tires in good condition to prevent breakdowns – stranding you in a dark or unfamiliar place.

SAFE
Car Theft Prevention and Break-in Safety

Empowering Communities to Create a Safer San Francisco

sfsafe.org

As vehicle break-ins continue to be problematic in San Francisco, SAFE's role in the community is more important than ever. Your role is critical, too. You may be able to minimize the chance of a vehicle break-in, theft or carjacking. Don't become a victim! Use common sense. It's your best defense.

6 Theft and Break-in Safety Tips When Your Car Is Parked

- 1 **Trunk:** Never leave valuables in your car unattended. If necessary, place valuables in your trunk before you park.
- 2 **Car Lock:** Always lock your vehicle, close windows/sunroof completely, and take the keys.
- 3 **Glove Box:** Remove all papers with your personal information from your vehicle including mail, bills, checkbook, etc. Keep your vehicle title (pink slip) safe at home.
- 4 **Street Light:** Park in a well-lit area that's busy with foot traffic and/or has a parking attendant. Note where you parked.
- 5 **Car Key:** Never keep a spare key in or on your vehicle. Give parking attendant only your car key. Keep your other keys with you.
- 6 **Garage Door Opener:** When parking outside your home, never leave your garage door opener in your vehicle.

Cars are less likely to be broken into when they appear empty - never leave valuables in your vehicle.

If You Become a Victim of Vehicle Theft or Break-In

The best way to prevent vehicle theft or break-in is to always lock doors, close windows/sunroof, and never leave valuables in your car. If a theft or break-in occurs, report immediately to the police. Provide detailed information that can help identify your vehicle or stolen items:

- License plate number and VIN number
- Any identifying features that make your vehicle distinctive (stickers, window decals, dents, etc.)
- Any special items of value (phone, radio, GPS, CD player, tire brand and size)

Avoid carjacking by staying alert when you stop. If carjacked, do not resist. Give up your car and go to a safe place to dial 9-1-1.

Safety Tips Inside Your Building

1. Stay alert in areas such as the garage, laundry room, elevators, stairwells and hallways
2. Shared areas should be well-lit and painted in white or a light color
3. While in the elevator, stand close to the control panel: if accosted, press the buttons of all floors
4. Ensure your mailbox is secure to prevent identity theft: list only your first initial and last name

Residential Safety

Empowering Communities to Create a Safer San Francisco

sfsafe.org

Whether you live in a single family home, condo, or a large apartment complex in San Francisco, there are a number of ways you can keep your residence safe and secure. Working together as a community with your neighbors and building management can significantly improve your residential safety.

7 Residential Safety Tips

- 1 **Garage:** When entering or leaving the garage, watch to ensure door shuts completely. Lock stored bikes to a sturdy rack.
- 2 **Car:** Always lock your vehicle when parked in your garage and remove all valuables. Never leave garage door opener in your vehicle when parked outside your home.
- 3 **Spare Key:** Never hide spare keys. If you need to have a spare key available, leave it with a trusted neighbor.
- 4 **Door Buzzer:** When a visitor rings your bell, confirm who it is by intercom before you grant them access. Similarly, never let strangers follow you through the front door.
- 5 **Security Cameras & Alarm Systems:** Cost effective tools for preventing crime and identifying criminals.
- 6 **Light Timers:** Installing timers on the exterior of your residence is an effective and energy efficient way to deter criminal activity.
- 7 **Doors/Windows:** Always keep doors and windows locked.

Door and Window Safety

Doors:

- Should be made of solid wood or metal
- Have a single cylinder deadbolt lock and a 1-inch bolt
- Have a front door viewer or peep hole with a 180-degree range
- Clearly display unit number

Windows:

- Replace if glass is cracked and replace all damaged or missing locks
- Ground level windows should be burglary resistant: consider purchasing windows with reinforcement wire, laminate, or tempered glass
- Polycarbonate plastic or metal grates can be installed over existing ground level windows
- Windows above ground level are not considered secure: if used for ventilation, lock in position and keep open no more than 3 inches

住宅安全

加強社區力量，創造一個更安全的三藩市

sfsafe.org

無論您住在三藩市的獨棟家庭住宅、共渡公寓(康斗)或大片公寓住房，您可以利用下述方法保持您住所的安全。和鄰居及建築物管理單位共同合作，發揮守望相助的精神，以大幅改善住宅安全。

7個住宅安全訣竅

1. **車庫**：進入或離開車庫時，注意車庫門務必完全閉上。收納自行車時，請鎖在牢固的車架上。
2. **汽車**：停在車庫內的車子要鎖上，並帶走所有的貴重物品。將車停放在自家住宅外時切勿將車庫門遙控器留在車內。
3. **備用鑰匙**：切勿藏起備用鑰匙。如果您需要一把備用鑰匙，請將它交給可信任的鄰居保管。
4. **門鈴**：當有訪客按您的門鈴時，先用對講機確認來者何人後再讓其入內。同樣地，切勿讓陌生人跟隨您進過前門。
5. **監視攝影機和警報系統**：是防止犯罪和指認罪犯的高成本效益工具。
6. **燈光定時器**：在您住宅外部安裝定時器是一種遏止犯罪活動的有效且節能的方式。
7. **門/窗**：隨時保持門窗鎖上。

保持住宅良好的維修狀態。讓鄰居看得到您的住宅，以增加安全性。

門窗安全

門：

- 應以實心木或金屬材質製成
- 有一個單圈固定栓鎖和一個一英寸的螺絲
- 有一個視角涵蓋180度的前門觀看裝置或窺視孔
- 清楚顯示門牌號碼

窗：

- 如果窗戶玻璃有裂縫要更換，並且應更換所有缺損的鎖
- 地面樓層的窗戶應具有防盜功能：考慮購買含有強化金屬絲、層壓板或強化玻璃的窗戶
- 可在現有的地面樓層窗戶上加裝聚碳酸酯膠或金屬材質的格柵
- 地面樓層以上的窗戶並不安全：如果用夾通風，請將它鎖好並且不要打開超過3英寸

PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

PREVENT GARAGE DOOR BREAK-INS

ANATOMY OF A SAFE GARAGE

Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit sfsafe.org.

PACKAGE THEFT PREVENTION GUIDE

One rarely falls in love without being as much attracted to what is interestingly wrong with someone as what is objectively healthy

✉️ WON'T BE HOME?

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

✉️ USE SPECIAL SERVICES

Use USPS special services like *Signature Confirmation* or *Registered Mail* to add a layer of security.

✉️ REQUEST NONDESCRIPT PACKAGING

When completing your online order, opt for packaging that conceals the item or select the 'gift' option to ensure package arrives in a plain box especially when ordering from a high-end store.

✉️ NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

✉️ PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

✉️ CUSTOMIZE DELIVERIES

Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.

✉️ DELIVER TO SECURE LOCATIONS

Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.

✉️ USE MODERN ALTERNATIVES

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.

YOUR BIKE HAS BEEN STOLEN. NOW WHAT?

Here's what you should do next to increase your chances of recovering your bike:

➔ File a Police Report

You can do this in one of three ways:

- Online at [sanfranciscopolice.org/reports](https://www.sanfranciscopolice.org/reports)
- Via phone by calling (415) 553-0123
- In person by going directly to your district police station

➔ Call or Email SF SAFE

Give us a call so we can list your bike as stolen on our database. You can reach us at (415) 553-1984 or info@sfsafe.org.

➔ Register

If you haven't done so already, register your bike at nonprofit bike registry, [bikeindex.org](https://www.bikeindex.org). If you are already registered, take action to flag your bike as stolen.

➔ Read Up

SF SAFE recommends reading "What to Do After Your Bike Has Been Stolen" on Medium. The article has a multitude of gems about where and how to post about your bike on social media to increase chances of recovering it.

➔ Create a Google Alert

By creating a Google alert for bikes being sold that match the make and model of your bike, you increase your chance of finding it.

➔ Don't Recover Your Bike Yourself

If you see your bike for sale on Craigslist or OfferUpNow.com, don't try to recover it yourself. Contact SFPD directly.

➔ Keep in Touch

If the police contact you to return your bike or if you recover it, please let us know! That way, SF SAFE can keep our files updated.

Visit www.sfsafe.org for more safety tips!

If you have any questions, please email safebikessf@sfsafe.org

SHARING THE ROAD WITH CYCLISTS

When it comes to safely sharing the road with cyclists, it's paramount for drivers to learn how to coexist.

➔ Share the Road

When out and about, drivers need to be ever-mindful of sharing the road with cyclists.

➔ Stay Off the Horn

Sudden honking might startle a cyclist and can cause them to swerve into traffic or off the road.

➔ Follow the 3 Foot Rule

Maintain a distance of 36 inches from cyclists whenever passing them. If possible, keep an even wider berth if there's bad weather or if in a higher speed limit zone.

➔ Mind Your Blind Spots

Drivers should double-check their mirrors when changing lanes, making turns, and especially before opening their car door after parking.

➔ Be Cautious with Kids

Kids can be unpredictable since their motor skills and decision-making faculties aren't fully developed. Be on alert when driving near schools and residential areas.

➔ Be Patient

Don't tailgate a cyclist. When you need to pass one, patiently wait until it's safe to do so.

Visit www.sfsafe.org for more safety tips!

If you have any questions, please email safebikessf@sfsafe.org

Park Smart!

Safe Habits to Adopt:

Turn off the ignition
Never leave your car running unattended

Keep your vehicle & tires in good condition
to prevent breakdowns—stranding you in a dark or unfamiliar place

Lock your doors
when you get in your car

See something, say something
If you see a motorist in distress, call 9-1-1 versus stopping to help

Clear your trunk
and take your valuables with you every time you leave your car

If you are being followed,
drive to the nearest police or fire station—
a populated area is a good default

How to Describe a Suspect

Providing a detailed description of a criminal suspect can help solve crimes in San Francisco. Suspects can easily change their appearance with a hat, jacket or glasses. It is important to be mindful of unique characteristics such as body markings, tattoos, shoes and specific clothing markings, like logos.

Note the Following Unique Characteristics:

Race _____ Sex _____ Age _____ Height _____ Weight _____

Hair _____ Eyes _____ Complexion _____

- Physical Characteristics (slight or heavy build, scars, marks, tattoos, manner of walk, mustache, glasses) _____
- Clothing (type and color, logos or brand names, shoes, jewelry, accessories) _____
- Weapon (type of weapon used by the suspect: rifle, shotgun, automatic, revolver, knife) _____
- Remarks (note anything the suspect says, accent, any names used) _____
- Means of Escape (vehicle or foot, license plate number, year, make, model, color, traveling in which direction) _____

If it's safe, take a photo of the suspect, vehicle, license plate number, etc.

What to Do During an Emergency

How to Call 911 in an Emergency

- Remain Calm and **Dial 911** Immediately
 - **WHEN** to Dial 911
 - If a crime is posing an immediate threat to you or others
 - If there is a medical emergency
 - If the incident is in progress
 - If the incident just occurred and you know where the suspect is
- State the following information:
 - **WHERE** the incident is happening and **WHAT** is occurring, for example: *"I'm at 1234 Market Street and I've just been robbed"*
 - Tell the operator if you are in immediate danger or are being threatened
 - Be **brief, clear** and **accurate**
- As long as it is safe, stay on the line and answer the operator's questions
- Describe each suspect separately from head to toe (*see more information on the back of this card*)

Other Methods of Reporting

- To file a report online, visit sanfranciscopolice.org/Reports
- For TTY users, pressing the space bar every few seconds will help your call be recognized faster

- To call SFPD dispatch directly, dial 415-553-8090

When in doubt, call 911

SAN FRANCISCO POLICE DEPARTMENT

Auxiliary Law Enforcement Response Team

A.L.E.R.T.

Are you someone who is interested in disaster preparedness and wants to help out your community while working hand in hand with Law Enforcement? If so, then the ALERT program is for you!

What is the ALERT Program?

The San Francisco Police Department Auxiliary Law Enforcement Response Team (ALERT) is a volunteer civilian disaster preparedness program. The ALERT program trains members of the public to assist Law Enforcement in various tasks after a major disaster, and in other identified non-disaster activities throughout the year.

Volunteers must be at least 16 years of age and must live, work, or attend school in San Francisco. ALERT volunteers must pass a basic DOJ/FBI background check and complete two, 8-hour classes to graduate.

Active members must participate in one 4-hour drill in each calendar year to remain active but may also donate more time during various Station support and outreach activities throughout the year. ALERT members have many opportunities to work alongside Officers and to support the community throughout the year.

Day #1 Class

- Introduction to ALERT
- The Law
- Deployment Protocols
- Traffic Control
- Radio Communications

Day #2 Class

- Conflict Resolution
- Medical Assistance
- Missing Person Search
- Patrolling & Site Protection
- Graduation

SFPD Community Survey

The San Francisco Police Department is committed to excellence in law enforcement and is dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

As part of our ongoing outreach to engage with the community and measure our success, the Department has created a community survey link to obtain valuable community feedback for our community events and programs, which will assist the Department in the development of our strategies to meet the needs of the community. If you have recently attended or participated in an event or program hosted by the Department (such as Coffee with a Cop, National Night Out, ALERT program, Youth Summer program, Community Academy or Town Hall Meeting), and have feedback regarding the event or program you attended, please take some time to fill out our community survey.

The Department has also developed a Foot Beat/Bike Patrol survey to gather valuable community feedback on the effectiveness of the Foot Beat/Bicycle Patrol, as it relates to community policing and crime strategies and an Implicit Bias survey to measure progress in the Department's commitment to impartial policing and procedural justice. Please take the time to fill out the Foot Beat/Bicycle and Implicit Bias surveys. If you have already filled out a survey, thank you! Your response will help SFPD better serve our City and continue to support our community through Safety with Respect.

To take our surveys, please visit: <https://www.sanfranciscopolice.org/surveys>

Police Commendation

Everyone appreciates a compliment! There are several ways you can offer a compliment to our officers and civilian workers for a job well done:

- You can email the Captain of the station in your neighborhood. To find your Captain, visit our [Stations](#) page.
- You can contact the department's Community Engagement Division, at: sfpdcommunityrelations@sfgov.org.
- You can also write to or email Chief William Scott:

Police Complaint

How you can file a complaint:

The San Francisco Police Department is committed to ensuring that all of our officers and civilian staff provide unbiased, quality service to our City's diverse communities. Toward that goal, the SFPD and the City of San Francisco provide several ways to file a complaint.

The Department of Police Accountability is charged with impartially investigating complaints against SFPD officers and making policy recommendations regarding police practices. You can also call the DPA at 1-415-241-7711 (the TTY line is 1-415-241-7770) or visit the Department of Police Accountability website to file a complaint at <https://sfgov.org/dpa/>.

The DPA is located at 1 South Van Ness, 8th Floor, San Francisco, CA 94103

You may also contact a department supervisor at any SFPD police station. [Each station](#) is open 24 hours a day. SFPD personnel are required to receive complaints courteously and to assist you with filing them.

Please be aware that:

- The [San Francisco Police Commission](#) investigates all complaints forwarded by the DPA and makes recommendations for discipline by the Chief of Police.
- For information about our conduct, complaint and disciplinary process, please view these Department General Orders:

Rights and Responsibilities under California Whistleblower Laws
(Re-issue DB 12-028)

The existing Whistleblower Law (California Labor Code Section 1102.5, et seq.) prohibits employers from preventing an employee from disclosing violations of a state or federal statute, or a violation or noncompliance with a state or federal regulation to a government or law enforcement agency, or from retaliating against an employee who makes a disclosure. A violation is punishable as a misdemeanor.

The law extends protections to employees who report a violation of a state or federal statute, or a violation of or noncompliance with a state or federal rule or regulation, or who exercised these rights in former employment.

The law prohibits an employer from retaliating against an employee for exercising any of these rights, including those provided under existing law, provides an additional civil penalty for violations, and establishes the evidentiary burdens of the parties participating in a civil action or administrative hearing involving an alleged violation.

The law also established a "Whistleblower Hotline" within the Attorney General's office. The Hotline Number is 1-800-952-5665. Calls made to the hotline will be reviewed and forwarded to the appropriate government authority.

TONEY D. CHAPLIN
Interim Chief of Police

Per DB 15-141, both sworn and non-sworn members are required to electronically acknowledge this Department Bulletin in HRMS.
