Citizen of the Month

Naomi Hui

Community Relations Manager

The Richmond Neighborhood Center

Naomi started working at the Richmond Neighborhood Center in 2017 as the neighborhood resource liaison. It was an effort to bring the Safety Network Initiative back to the district. The Safety Net was a citywide effort between SFPD and community-based organizations to address safety on both the practical and systemic levels. In her role, Naomi started organizing festivals to engage neighbors through celebration, food and culture to increase their sense of belonging.

Naomi also launched the One Richmond program in 2018 with former Supervisor, Sandra Fewer. One Richmond is a community-building initiative that celebrates four values: Compassion, Inclusiveness, Shopping Local and Civic Pride. The One Richmond office at 802 Clement Street serves as a community hub and resource center and you can learn more about how to get involved at www.onerichmondsf.com.

Since the pandemic, Naomi has launched a virtual racial equity series and has also organized self-defense seminars for seniors in partnership with local merchant, Tat Wong Kung Fu Academy. She looks forward to the city reopening and returning to in-person events that benefit the Richmond district and its diverse community members.

- ♦ An individual checking front doors of residences to locate any unattended packages, or individuals following delivery trucks to see where the truck is dropping off packages.

IF YOU SEE SOMETHING, SAY SOMETHING

DEFINITION OF COMMUNITY POLICING

Community policing, or community-oriented policing, is a strategy of policing that focuses on police building ties and working closely with members of the communities.

San Francisco Police Release Burglary Awareness Crime Prevention Video

The San Francisco Police Department would like to remind the public to stay safe and help protect yourself from vehicle and home burglaries. Below are some simple steps you can take to help prevent your home or vehicle from being burglarized.

- Do not leave valuables in your vehicle
- Remove garage door opener from your vehicle if parked outside your garage
- Lock the door from your garage leading inside your home
- “Block the cord” – garage door openers have an emergency release cord that, when pulled, disconnects the door from the mechanism thereby making it easy for burglars to enter your garage

For more information on how to protect yourself, your family and your home from burglary please click on the link below and watch our safety video.

The video can be viewed by clicking this link: <https://vimeo.com/477012071>

PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

PREVENT GARAGE DOOR BREAK-INS

ANATOMY OF A SAFE GARAGE

Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit sfsafe.org.

PREVENTION

- Are there any valuables or seemingly insignificant loose items visible in your car?
 - Place all loose items in the trunk of your car before you arrive to your destination to ensure thieves won't know what you are hiding.
- Traveling from out of town?
 - Check your luggage at the hotel instead of keeping it in your car.

**BROKEN WINDOW
OR TRUNK**

- Is the break-in happening right now?
 - Call 9-1-1 with your location and suspect description.
- Did the break-in already happen?
 - File a police report on-line (www.sanfranciscopolice.org/reports), or call 3-1-1.

CAR BREAK-IN

- What was stolen? Make a list of stolen items.
 - Although not required, you should provide the estimated value along with serial numbers to any electronics on a police report that can be filed online (www.sanfranciscopolice.org/reports), or call 415-553-0123.
 - If credit cards were stolen, cancel them as soon as possible and check to see if any unauthorized activity has occurred. If so, include this activity on the police report.
 - If an original passport or social security card was stolen, go to the nearest police station.

FIREARMS THEFT

- Was any type of firearm stolen?
 - If so, immediately go to a police station or call the police non-emergency line: 415-553-0123.

REPORTING

- Is a police report needed for an insurance claim?
 - A formal police report can be completed online (www.sanfranciscopolice.org/reports), in person at any San Francisco Police Station, or by calling 3-1-1.
