CAPTAIN'S MESSAGE:

Hello Richmond District Residents and Merchants,

Back to School brings excitement but also congestion, kids on bikes, and parent drop off. It is important for drivers to slow down and pay attention when kids are present, especially before and after school.

- If you are dropping off, follow the schools specific drop of procedures
- Don't double park. Double parking can reduce visibility for other drivers and pedestrians
- Consider carpooling to reduce the total number of vehicles at the school
- Always stop for crossing guards

By slowing down and exercising extra care and caution, drivers and pedestrians can safely co-exist in school zones and limit the impact on the neighborhood.

San Francisco Police Release Burglary Awareness Crime Prevention Video

The San Francisco Police Department would like to remind the public to stay safe and help protect yourself from vehicle and home burglaries. Below are some simple steps you can take to help prevent your home or vehicle from being burglarized.

- Do not leave valuables in your vehicle
- Remove garage door opener from your vehicle if parked outside your garage
- Lock the door from your garage leading inside your home
- “Block the cord” – garage door openers have an emergency release cord that, when pulled, disconnects the door from the mechanism thereby making it easy for burglars to enter your garage

For more information on how to protect yourself, your family and your home from burglary please click on the link below and watch our safety video.

The video can be viewed by clicking this link: <https://vimeo.com/477012071>

PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

PREVENT GARAGE DOOR BREAK-INS

ANATOMY OF A SAFE GARAGE

Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit sfsafe.org.

PREVENTION

- Are there any valuables or seemingly insignificant loose items visible in your car?
 - Place all loose items in the trunk of your car before you arrive to your destination to ensure thieves won't know what you are hiding.
- Traveling from out of town?
 - Check your luggage at the hotel instead of keeping it in your car.

**BROKEN WINDOW
OR TRUNK**

- Is the break-in happening right now?
 - Call 9-1-1 with your location and suspect description.
- Did the break-in already happen?
 - File a police report on-line (www.sanfranciscopolice.org/reports), or call 3-1-1.

CAR BREAK-IN

 - Although not required, you should provide the estimated value along with serial numbers to any electronics on a police report that can be filed online (www.sanfranciscopolice.org/reports), or call 415-553-0123.
 - If credit cards were stolen, cancel them as soon as possible and check to see if any unauthorized activity has occurred. If so, include this activity on the police report.
 - If an original passport or social security card was stolen, go to the nearest police station.

FIREARMS THEFT

- Was any type of firearm stolen?
 - If so, immediately go to a police station or call the police non-emergency line: 415-553-0123.

REPORTING

- Is a police report needed for an insurance claim?
 - A formal police report can be completed online (www.sanfranciscopolice.org/reports), in person at any San Francisco Police Station, or by calling 3-1-1.

As part of our ongoing outreach to engage with the community and measure our success, the Department has created a community survey link to obtain valuable community feedback for our community events and programs, which will assist the Department in the development of our strategies to meet the needs of the community. If you have recently attended or participated in an event or program hosted by the Department (such as Coffee with a Cop, National Night Out, ALERT program, Youth Summer program, Community Academy or Town Hall Meeting), and have feedback regarding the event or program you attended, please take some time to fill out our community survey.

The Department has also developed a Foot Beat/Bike Patrol survey to gather valuable community feedback on the effectiveness of the Foot Beat/Bicycle Patrol, as it relates to community policing and crime strategies and an Implicit Bias survey to measure progress in the Department's commitment to impartial policing and procedural justice. Please take the time to fill out the Foot Beat/Bicycle and Implicit Bias surveys. If you have already filled out a survey, thank you! Your response will help SFPD better serve our City and continue to support our community through Safety with Respect.

San Francisco is also participating in the Language Access Survey to improve city services for those who don't speak English as their first language.
