CAPTAIN GAETANO CALTAGIRONE

COMMANDING OFFICER
RICHMOND STATION

461 6TH AVENUE
SAN FRANCISCO, CA 94118

STATION: 415-666-8000

Hello Richmond District Residents and Merchants,

Consumers rely on online reviews to help them choose everything from restaurants to doctors. Scammers know this and can make money selling or trading phony reviews. Before relying on an online review, look out for some red flags:

- The business has multiple reviews on Yelp removed for violating Yelp's terms of service.
- Negative reviews are followed by 5-star reviews. Some businesses try to bury legitimate negative reviews; often they will contradict the specific criticisms in the negative review.
- The business has an abnormal number of positive reviews in a short period of time.

If you believe you've come across a fake online review, please report it to the District Attorney's Office.

- Captain Gaetano Caltagirone

WHAT YOU NEED TO KNOW THIS MONTH

I think I have been a victim of a scam! What do I do?

Financial crimes include phone scams, counterfeit money, identity theft, and embezzlement. Scammers often target the elderly, low-income people, and business owners. In some cases, scammers have posed as IRS, courts, or utility representatives to cheat victims out of their money. In all of these cases, your first step is making a police report in person at your local district station or online [here](#). Next, preserve what evidence you may have. Evidence includes eyewitness accounts and/or documents. Useful documents include account statements, receipts and canceled checks. Finally, contact all your banking services and credit bureaus to notify them of the incident, as you may need to close your account or put a hold on your credit. For more information, visit our FAQ here: [Financial Crimes](#)

San Francisco Police Release Burglary Awareness Crime Prevention Video

The San Francisco Police Department would like to remind the public to stay safe and help protect yourself from vehicle and home burglaries. Below are some simple steps you can take to help prevent your home or vehicle from being burglarized.

- Do not leave valuables in your vehicle
- Remove garage door opener from your vehicle if parked outside your garage
- Lock the door from your garage leading inside your home
- "Block the cord" – garage door openers have an emergency release cord that, when pulled, disconnects the door from the mechanism thereby making it easy for burglars to enter your garage

For more information on how to protect yourself, your family and your home from burglary please click on the link below and watch our safety video.

IF YOU SEE SOMETHING, SAY SOMETHING...

Suspicious activity is any observed AND articulable behavior that could indicate a crime-related incident has been committed, or is about to be committed. Articulable means you are capable of expressing, explaining, or justifying to our dispatchers and/or officers that you believe a person violated a law or regulation. Race, gender, religion, socio-economic status, style of dress, choice of hairstyle, etc. should NEVER be a factor in classifying someone as suspicious. Some examples of suspicious activity:

- Individual(s) peering into vehicles to try and locate any valuables left unattended.
- Individual(s) trying door handles to vehicles and/or residences to gain access.
- Individual(s) following delivery trucks to see where the truck is dropping off packages.

While this isn't an exhaustive list, nor absolute confirmation of a crime, we hope these examples will assist you should you ever need to call the police.

ASK US

What is the SFPAL? What is the Law Enforcement Cadet Program?

Fifty-five years ago, two policemen decided they wanted to do something about “the growing juvenile delinquency problem” in San Francisco. They courageously took out personal loans and started what has grown into the San Francisco Police Activities League. From this meager beginning and a handful of kids, SFPAL has grown to serve thousands of San Francisco youth – reaching every San Francisco neighborhood and block over the past half-century. Today, almost 1,200 kids participate in PAL healthy activities with the help of over 100 civilian and police volunteers every year.

The SFPAL Law Enforcement Cadet Program is a collaborative effort of SFPAL and the San Francisco Police Department (SFPD). The PAL Cadet Program has provided opportunities for growth, leadership, and career experiences for thousands of San Francisco youth — including many who have chosen to pursue law enforcement or public service careers. SFPAL Cadets receive training modeled after the basic training academy for new police recruits and are taught by SFPD Police Academy training staff. The program is designed to provide hands-on job skills training and leadership development through proper preparation and training.

CRIME DEFINITIONS

HOMICIDE: Murder and non-negligent manslaughter is the willful killing of one human being by another. Deaths caused by negligence, attempts to kill, assaults to kill, suicides, and accidental deaths are excluded. Manslaughter by negligence is the killing of another person through gross negligence. Deaths of persons due to their own negligence, accidental deaths not resulting from gross negligence, and traffic fatalities are not included in the category of manslaughter by negligence.

RAPE: Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. Attempts or assaults to commit rape are also included; however, statutory rape and incest are excluded.

ROBBERY: The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

AGGRAVATED ASSAULT: An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. Simple assaults are excluded.

BURGLARY: The unlawful entry of a structure to commit a felony or a theft. Attempted forcible entry is included.

LARCENY (aka THEFT): The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. Examples are thefts of bicycles, motor vehicle parts and accessories, shoplifting, pickpocketing, or the stealing of any property or article that is not taken by force and violence or by fraud. Attempted larcenies are included. Embezzlement, confidence games, forgery, check fraud, etc., are excluded.

MOTOR VEHICLE THEFT: The theft or attempted theft of a motor vehicle. A motor vehicle is self-propelled and runs on land surface and not on rails. Motorboats, construction equipment, airplanes, and farming equipment are specifically excluded from this category.

ARSON: Any willful or malicious burning or attempting to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

PREVENT GARAGE DOOR BREAK-INS

ANATOMY OF A SAFE GARAGE

Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit sfsafe.org.

 - If an original passport or social security card was stolen, go to the nearest police station.

FIREARMS THEFT

- Was any type of firearm stolen?
 - If so, immediately go to a police station or call the police non-emergency line: 415-553-0123.
