WHAT YOU NEED TO KNOW THIS MONTH

I think I have been a victim of a scam! What do I do?

Financial crimes include phone scams, counterfeit money, identity theft, and embezzlement. Scammers often target the elderly, low-income people, and business owners. In some cases, scammers have posed as IRS, courts, or utility representatives to cheat victims out of their money. In all of these cases, your first step is making a police report in person at your local district station or online [here](#). Next, preserve what evidence you may have. Evidence includes eyewitness accounts and/or documents. Useful documents include account statements, receipts and canceled checks. Finally, contact all your banking services and credit bureaus to notify them of the incident, as you may need to close your account or put a hold on your credit. INCIDENTS IN THE RICHMOND DISTRICT THIS WEEK

CASE NUMBER: 220388717

WARRANT ARREST

06/13/2022 2123 hrs

6200 block Geary Blvd

Officers on patrol observed a subject that they had prior contacts with, who had previously had active warrants. A computer records check of the subject listed an outstanding warrant for burglary, out of Marin County. Central Warrants Bureau (CWB) confirmed the warrant, and the officers placed the suspect under arrest without incident. The suspect was booked at County Jail for his outstanding warrant.

CASE NUMBER: 220389981

LODGING WITHOUT PERMISSION, COMMITTING A PUBLIC NUISANCE

06/14/2022 0811 hrs

800 block Great Highway

Homeless Outreach officers responded to complaints regarding a tent in the parking lot of 800 Great Highway. They observed a structure created from a large tarp, surrounded by plastic pallets, bicycles and bicycle parts, open containers of urine, needles, discarded food containers, and other debris. The officers secured shelter for the subject and his girlfriend. The officers informed the subject that if he refused to accept available shelter, he could be cited and his structure seized. The officers also explained that the condition of his encampment was creating a public nuisance and he could be cited for maintaining it. The subject and his girlfriend refused shelter, preferring to relocate their encampment.

CASE NUMBER: 220392053

MALICIOUS MISCHIEF, VANDALISM TO VEHICLE, MENTAL HEALTH DETENTION

06/15/2022 0845 hrs

100 block Cornwall St

Officers, responding to a call of a mentally unstable male breaking car windows with a hammer, located a subject nearby, swinging a crowbar. The officers detained the subject and spoke with witnesses, who identified the subject as the male who had broken three car windows. The subject told officers he suffers from schizophrenia and hears voices telling him to hurt others. Based on his violent behavior and statements, the officers determined he was danger to others, as a result of a mental health disorder, and transported him to SFGH for assessment, evaluation and crisis intervention, a Welfare and Institutions (W&I) 5150 detention.

INCIDENTS IN THE RICHMOND DISTRICT THIS WEEK

CASE NUMBER: 220393512

ASSAULT, AGGRAVATED W/KNIFE, CRIMINAL THREATS

06/15/2022 1833 hrs

800 block La Playa St

The victim was walking out of Safeway with his groceries when the suspect approached the victim, holding a knife in his right hand. The suspect told the victim, "I don't like your face. I don't like your hair. You're going to die!". The victim, afraid that the suspect was going to stab him, began backing away from him. The suspect pushed the victim backwards, the victim fell to the ground, and the suspect stood over him and said, "You're going to die tonight!". Store security intervened and the suspect threatened to stab both of the security guards, and then fled southbound on La Playa. Responding officers located the suspect hiding behind a bush on the path behind Beach Chalet, the suspect initially ran towards them, then ran away and entered the Beach Chalet restaurant. The officers deployed a less lethal extended range impact weapon (ERIW), aka "bean bag" shot gun, but were able to detain, cuff and search the suspect without incident, locating a knife in his jacket pocket. The officers conducted eyewitness identifications ("cold shows") with the victims, with positive results, and the suspect was placed under arrest. The suspect was booked at County Jail for multiple counts of assault and criminal threats.

CASE NUMBER: 220401397

BURGLARY, HOT PROWL, ATTEMPTED FORCIBLE ENTRY

06/19/2022 0821 hrs

500 block 11th Ave

Officers responded to a call of a person who broke into a home, wearing distinctive green and white clothing. Officers located a subject nearby who matched the description, and detained her. The homeowner participated in a cold show and positively identified the suspect, who was placed under arrest. An arrest search located a glass tube with white residue and burn marks, aka a "crack pipe", in the suspect's pocket. The homeowner provided officers with doorbell camera surveillance video, which showed the suspect breaking a glass pane in the front door with a rock, and attempting to open the door from the inside. The suspect was booked at County Jail for first degree burglary, vandalism, possession of drug paraphernalia, and an outstanding warrant for a prior "failure to appear".

INCIDENTS IN THE RICHMOND DISTRICT THIS WEEK

CASE NUMBER: 220403127

THEFT, VEHICLE STRIP, CONSPIRACY, NARCOTICS PARAPHENALIA, BURGLARY TOOLS

06/20/2022 0300 hrs (just outside the newsletter date range but a great arrest!)

700 block 17th Ave

Officers responded to a call of a theft of a catalytic convertor on 24th Ave. While searching the area for the suspects, another call came in, with a vehicle description, in the location of 5th Ave & Anza St. As officers arrived at 5th & Anza, a witness pointed them to a car that was southbound on 5th Ave, which turned west of Fulton St, and then turned north on 17th Ave at a high rate of speed. The officers noticed a vehicle matching the suspect vehicle parked in a driveway, mid-block 17th Ave, and two subjects walking up the driveway of a nearby house. A license plate query of the suspect vehicle returned a registered address out of Oakland, and the vehicle had no condensation on it, unlike all the neighboring vehicles. The officers observed a catalytic convertor in the middle of the rear seat, and detained the two nearby subjects. One of the subjects, after being

Mirandized, said he wanted his phone and wallet from the suspect vehicle. An inventory search of the vehicle, prior to it being towed, revealed nine catalytic convertors, multiple metal cutting blades, a Milwaukee cutting tool aka Sawzall, multiple Milwaukee tool batteries, a vehicle jack, a large bag containing a white crystalline like substance (which later tested positive for methamphetamine), and a glass pipe with white residue and burn marks. The suspects were booked at County Jail for conspiracy to commit a crime, possession of stolen property, possession of burglary tools, and possession of drug paraphernalia.

San Francisco Police Release Burglary Awareness Crime Prevention Video

The San Francisco Police Department would like to remind the public to stay safe and help protect yourself from vehicle and home burglaries. Below are some simple steps you can take to help prevent your home or vehicle from being burglarized.

- Do not leave valuables in your vehicle
- Remove garage door opener from your vehicle if parked outside your garage
- Lock the door from your garage leading inside your home
- "Block the cord" – garage door openers have an emergency release cord that, when pulled, disconnects the door from the mechanism thereby making it easy for burglars to enter your garage

For more information on how to protect yourself, your family and your home from burglary please click on the link below and watch our safety video.

IF YOU SEE SOMETHING, SAY SOMETHING...

Suspicious activity is any observed AND articulable behavior that could indicate a crime-related incident has been committed, or is about to be committed. Articulable means you are capable of expressing, explaining, or justifying to our dispatchers and/or officers that you believe a person violated a law or regulation. Race, gender, religion, socio-economic status, style of dress, choice of hairstyle, etc. should NEVER be a factor in classifying someone as suspicious. Some examples of suspicious activity:

- Individual(s) peering into vehicles to try and locate any valuables left unattended.
- Individual(s) trying door handles to vehicles and/or residences to gain access.
- Individual(s) following delivery trucks to see where the truck is dropping off packages.

While this isn't an exhaustive list, nor absolute confirmation of a crime, we hope these examples will assist you should you ever need to call the police.

ASK US

What is the SFPAL? What is the Law Enforcement Cadet Program?

Fifty-five years ago, two policemen decided they wanted to do something about “the growing juvenile delinquency problem” in San Francisco. They courageously took out personal loans and started what has grown into the San Francisco Police Activities League. From this meager beginning and a handful of kids, SFPAL has grown to serve thousands of San Francisco youth – reaching every San Francisco neighborhood and block over the past half-century. Today, almost 1,200 kids participate in PAL healthy activities with the help of over 100 civilian and police volunteers every year.

The SFPAL Law Enforcement Cadet Program is a collaborative effort of SFPAL and the San Francisco Police Department (SFPD). The PAL Cadet Program has provided opportunities for growth, leadership, and career experiences for thousands of San Francisco youth — including many who have chosen to pursue law enforcement or public service careers. SFPAL Cadets receive training modeled after the basic training academy for new police recruits and are taught by SFPD Police Academy training staff. The program is designed to provide hands-on job skills training and leadership development through proper preparation and training.

PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

PREVENT GARAGE DOOR BREAK-INS

ANATOMY OF A SAFE GARAGE

Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit sfSAFE.org.
