## Promotional Announcement

I am pleased to announce the following promotion effective immediately:

Will Sanson-Mosier  
Chief Information Officer

Director Sanson-Mosier has been with SFPD since 2013 and has been the lead of the Technology Division's Project Management Office since 2015. In that role, he has led efforts to build out the technology needs of our facilities, ensure the smooth roll-out of body-worn cameras and establish system redundancies to protect our technologies from security threats.

His knowledge, experience, and ability to build and leverage relationships with external partners will help the current and future technology projects to succeed.

Congratulations on the outstanding achievement.

  
WILLIAM SCOTT  
Chief of Police
