Captain Timothy Falvey's Message

October 07, 2022

Dear Southern District Community Members,

This weekend there will be Fleet Week activities and the Italian Heritage Parade. While activities surrounding Fleet Week will be city wide, activities in the Southern District will be concentrated around Piers 30 and 32. Expect large crowds and increased traffic this weekend.

This year the Treasure Island Development Authority is discouraging visitors from using Treasure Island as a place to view the Parade of Ships and the Airshow. Parking is currently limited on Treasure Island due to on going construction.

If you plan on coming to Fleet Week or the Italian Heritage Parade either in your own vehicle or by taking public transportation please take a minute to review some of our safety tips on pages 10-16 or by visiting sfSAFE.org.

Have a great weekend and be safe!

As part of our ongoing outreach to engage with the community and measure our success, the Department has created a community survey link to obtain valuable community feedback for our community events and programs, which will assist the Department in the development of our strategies to meet the needs of the community. If you have recently attended or participated in an event or program hosted by the Department (such as Coffee with a Cop, National Night Out, ALERT program, Youth Summer program, Community Academy or Town Hall Meeting), and have feedback regarding the event or program you attended, please take some time to fill out our community survey.

The Department has also developed a Foot Beat/Bike Patrol survey to gather valuable community feedback on the effectiveness of the Foot Beat/Bicycle Patrol, as it relates to community policing and crime strategies and an Implicit Bias survey to measure progress in the Department's commitment to impartial policing and procedural justice. Please take the time to fill out the Foot Beat/Bicycle and Implicit Bias surveys. If you have already filled out a survey, thank you! Your response will help SFPD better serve our City and continue to support our community through Safety with Respect.

Addressing Crime / Safety tips

With the Covid-19 restrictions lifting in phases and many of us are starting to venture out again, here are some Package Theft Prevention Guide from SFSafe to help prevent your packages from being stolen.

PACKAGE THEFT PREVENTION GUIDE

☐ WON'T BE HOME?

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

☐ CUSTOMIZE DELIVERIES

Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.

☐ USE SPECIAL SERVICES

Use USPS special services like *Signature Confirmation* or *Registered Mail* to add a layer of security.

☐ DELIVER TO SECURE LOCATIONS

Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.

☐ REQUEST NONDESCRIPT PACKAGING

When completing your online order, opt for packaging that conceals the item or select the 'gift' option to ensure package arrives in a plain box especially when ordering from a high-end store.

☐ USE MODERN ALTERNATIVES

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.

☐ NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

☐ PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

Addressing Crime / Safety tips

PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

Addressing Crime / Safety tips

PREVENT GARAGE DOOR BREAK-INS

ANATOMY OF A SAFE GARAGE

Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

Addressing Crime / Safety Tips

PREVENT THEFT FROM YOUR VEHICLE

Remember when parking your vehicle to ensure it is properly secured before walking away. Be sure that your windows are up, and your doors are locked. Thieves often check door handles to see if a car is unlocked. Remove all valuables from the inside of your car and take them with you. **PARK SMART!** Flyers available in English -Chinese - Spanish

Park Smart!

Safe Habits to Adopt:

Turn off the ignition

Never leave your car running unattended

Keep your vehicle & tires in good condition

to prevent breakdowns—stranding you in a dark or unfamiliar place

Lock your doors

when you get in your car

See something, say something

If you see a motorist in distress, call 9-1-1 versus stopping to help

Clear your trunk

and take your valuables with you every time you leave your car

If you are being followed,

drive to the nearest police or fire station—a populated area is a good default

Addressing Crime / Safety Tips

SHARING THE ROAD WITH CYCLISTS

When it comes to safely sharing the road with cyclists, it's paramount for drivers to learn how to coexist.

➔ Share the Road

When out and about, drivers need to be ever-mindful of sharing the road with cyclists.

➔ Stay Off the Horn

Sudden honking might startle a cyclist and can cause them to swerve into traffic or off the road.

➔ Follow the 3 Foot Rule

Maintain a distance of 36 inches from cyclists whenever passing them. If possible, keep an even wider berth if there's bad weather or if in a higher speed limit zone.

➔ Mind Your Blind Spots

Drivers should double-check their mirrors when changing lanes, making turns, and especially before opening their car door after parking.

➔ Be Cautious with Kids

Kids can be unpredictable since their motor skills and decision-making faculties aren't fully developed. Be on alert when driving near schools and residential areas.

➔ Be Patient

Don't tailgate a cyclist. When you need to pass one, patiently wait until it's safe to do so.

Summaries of Supreme Courts Case Laws

(Released Every 3 Months-First Week January, April, July, October)

Kansas v. Glover (2020) 140 S.Ct. 1183.

A Kansas deputy sheriff ran a license plate check on a truck and discovered that the registered owner had a revoked driver's license. The deputy assumed the registered owner was driving the vehicle and pulled it over. The registered owner, Glover, was in fact driving and charged with being a habitual offender. Thereafter, Glover moved to suppress the evidence, claiming that the deputy lacked reasonable suspicion to detain him.

The United States Supreme Court held that, "when the officer lacks information negating an inference that the owner is the driver of the vehicle, the stop is reasonable." The Court noted that the Fourth Amendment permits an officer to detain an individual when that officer has a "particularized and objective basis for suspecting the particular person stopped of criminal activity." Officers must be permitted to make commonsense judgments and inferences regarding human behavior. The Court found that prior to pulling the vehicle over, the deputy observed an individual operating the vehicle, he knew the registered owner had a revoked license, and the model of the vehicle matched what he observed. From these facts the deputy drew the commonsense inference that the driver was the registered owner and the Court found that provided more than reasonable suspicion to initiate the traffic stop.

People v. Henderson (2020) 9 Cal.5th 1013

Henderson was convicted of first degree murder with special circumstances, the personal use of a deadly weapon, and sentenced to death which triggered an automatic appeal to the California Supreme Court. Following his arrest, and during a custodial interrogation, Henderson initially waived his Miranda rights. When asked if he was present at the scene of the crime, Henderson stated, "Uhm, there's some things that I, uhm, want uh ...". He was again asked if he was present and Henderson continued, "[want] uh, want to speak to an attorney first, because I, I take responsibility for me, but there's other people that..."

Under established Miranda law, officers must terminate a custodial interrogation of a suspect when that individual invokes their right to counsel or to be silent. That being said, "various cases have held that a suspect's use of equivocal words or phrases does not constitute a clear request for counsel." A suspect must unambiguously assert his right to counsel or to remain silent. Courts objectively look to whether the suspect expressed their desire for counsel with sufficient clarity "that a reasonable police officer in the circumstances would understand the statement to be a request for an attorney." Courts have found the following statements to be equivocal and not an invocation: "maybe I should talk to a lawyer;" "[i]f you can bring me a lawyer;" "I think it'd probably be a good idea for me to get an attorney." In this case the court found that by stating, "[I] want to, speak to an attorney first," Henderson did not use equivocal language and the California Supreme Court found this was a violation of the Fifth Amendment.

SFPD Arrests Suspects in Shooting Investigations, Seizing Multiple Firearms

Members of SFPD's Crime Gun Investigations Center (CGIC) link suspects to multiple shootings that occurred in 2021 and 2022, seizing several firearms including one assault pistol and two assault rifles. Six of the recovered firearms were "Ghost Guns"

On September 29, 2022, investigators from the San Francisco Police Department's Crime Gun Investigations Center (CGIC) served search warrants at three residences on the 100 block of Northridge Road in San Francisco. The warrants stemmed from multiple shooting investigations beginning in March 2021 and continuing through September of 2022. The shootings occurred in the area of Northridge Road and Harbor Road.

Through the course of the investigation, officers identified three adult males who were believed to be related to the shootings.

As officers were preparing to serve the search warrants they observed one of the suspects, 28-year-old San Francisco resident Faalavelave Ulavale, outside his residence. Following a brief struggle, officers were able to take Ulavale into custody. Officers conducted a search of Ulavale and they located a firearm on his person. Ulavale was later transported to San Francisco County Jail and booked on one charge of felon in possession of a firearm (29800(a)(1) PC).

Investigators served the search warrant on Ulavale's residence, on the 100 block of Northridge Road, which lead to the discovery of ammunition and a loaded magazine.

Investigators served a second search warrant on a residence on the 100 block of Northridge Road. Upon entering the residence, officers located and detained 30-year-old San Francisco resident Arturo Osorio.

The search of Osorio's residence yielded three handguns, an assault pistol, one rifle and two loaded assault rifles. Officers also located more than 15 high-capacity firearm magazines and

several firearm accessories including a scope and flashlight. Additionally, an unfinished privately manufactured firearm or "Ghost Gun" was recovered. Osorio was later transported to San Francisco County Jail and booked on charges of being a felon in possession of a firearm (29800(a)(1) PC) and possession of an assault weapon in California (30605(a) PC).

The search warrant for the third suspect's residence, also on the 100 block of Northridge Road, did not yield any additional evidence.

Two of the assault weapons recovered in this investigation were equipped with suppressors or silencers and six of the recovered firearms were "Ghost Guns."

The San Francisco Police Department Crime Gun Investigations Center (CGIC) was developed in 2017 with a mission to disrupt gun violence through the consistent production of timely, precise, and actionable information. Through collaboration with the Crime Lab and Property Control Unit, CGIC provides valuable information for investigations, focusing its resources on the most violent connected firearms offenders.

So far in 2022, SFPD has seized a total of 805 firearms, with 107 of those seizures being in the month of September.

District Attorney Brooke Jenkins Announces Jury Convicts Patrick Jackson of First-Degree Murder

A jury convicted Patrick Jackson of first-degree murder for killing man in a 2019 shooting-

San Francisco, CA – Today, San Francisco District Attorney Brooke Jenkins announced that her office secured a first-degree murder conviction of Patrick Jackson after trial by jury. Jackson shot and killed an unarmed Richard Ponce in the South of Market neighborhood on July 7, 2019. The victim was shot twice and left to die on Bonifacio Street. Despite life-saving efforts at the scene by paramedics Ponce died on the street. Jackson was arrested on September 11, 2019, following an investigation into the July 7 murder. The jury reached a guilty verdict on October 4, 2022. The jury also found true an allegation that a gun was used during the course of the murder.

“We thank the jury for their attention and thoughtfulness in this case and our team for their hard work to help deliver justice for Mr. Ponce’s family,” said District Attorney Brooke Jenkins. “We have lost far too many lives as a result of gun violence, and we are committed to seeking justice for our victim’s families. This verdict affirms our community’s commitment to holding our most dangerous offenders accountable.”

The case against Jackson was successfully prosecuted by Assistant District Attorneys Sean Connolly and Courtney Burris. Investigators from the San Francisco Police Department’s Homicide Unit led the investigation and worked with the prosecutors to develop the case against Jackson.

“There are no winners in cases like these,” said Assistant District Attorney Sean Connolly. “I am grateful to the jury for holding the defendant accountable for Mr. Ponce’s death. I am hopeful that the verdict will bring some degree of closure to his family and send a message that senseless gun violence will not be tolerated.”

“Richard Ponce, just four days shy of his 21st birthday, did not deserve to die,” said Assistant District Attorney Courtney Burris. “I am grateful for the jurors who accepted the duty to serve on this trial and for their thoughtful deliberation which allowed justice to prevail. Although, the

guilty verdict will not bring Mr. Ponce back, it is my hope that this verdict will offer some degree of comfort to his family as they continue to endure his painful loss.”

Jackson has been in custody since his arrest. He will be sentenced at a future date not yet set. He faces a sentence of fifty years to life imprisonment.

CPAB– Project Updates

August 2022

Community Police Advisory Board (CPAB) “CPABs” are community-oriented police advisory boards for each police district. Each CPAB, led by the District Captain for that police district, is comprised of approximately 10 to 15 committed volunteer community members and a representative from the Community Engagement Division of the SFPD. District Captains may choose more members if they wish to accomplish specific tasks. Each district’s Board members live and/or work in the communities within that district, where a community may be either a neighborhood with specific needs or a specific demographic. Each member thus represents the diversity of their community. In addition to the district CPABs, there will also be a City-wide CPAB Steering Committee facilitated by SF Safety Awareness For Everyone (SAFE). Two representatives from each Community Police Advisory Board shall be selected to participate in this Committee, with the purpose of sharing information across districts.

Captain Falvey held his monthly CPAB meeting on 08/10. Time was spent debriefing this year National Night Out and discussing the Citywide CPAB meeting.

Next months meeting is scheduled for Wednesday, 09/14 at 6:00pm.

It is crucial for our members to carry out their duties in a manner free from bias and eliminate any perception of policing that appears biased. Biased policing is unsafe, unjust, and ineffective.
