## Leadership San Francisco 2024

Leadership San Francisco (LSF) is an organization dedicated to educating and developing community trustees who will make a significant contribution to strengthen and transform our community. Their signature program develops future community leaders who are both knowledgeable about the City and concerned with its well-being. Each year, approximately 50 future community leaders are selected to attend LSF's 10-month program.

Participants are given a unique opportunity to explore the social and economic challenges facing San Francisco's leaders and learn how they, as individuals, may respond to community concerns.

Member(s) will be selected to attend LSF 2024. Any member who meets the program's participation requirements should submit a memorandum with a resume, through their chain of command, to the DC of Administration. The memorandum should detail the applicant's work experience, future goals, and the benefits the applicant believes this course will provide. Applicants are urged to include their own history of work, community, and service leadership potential in benefit to San Francisco's well-being.

### **Commitment to Leadership San Francisco 2024 Course Schedule as follows:**

- Attend a two-day overnight retreat on Friday, September 8, & Saturday, September 9, 2023.
