June 29, 2023

Dear Southern District Community,

Next Tuesday is the 4th of July, I would like to wish everyone a safe and festive Independence Day!

San Francisco's July 4th Fireworks Show will be at Pier 39 starting at 9:30pm. If you plan on attending the shows I would encourage you to take public transportation.

I would also like to remind everyone that due to ongoing construction activities on Treasure Island, public viewing areas for fireworks shows and parking on July 4th will be extremely limited and visitors are encouraged to instead enjoy the fireworks along the SF waterfront.

If you are attending any parties or barbecues please be sure to designate a driver, don't drink and drive.

Happy 4th of July!

## July 19th Community Meeting

This month's Southern Station Community Meeting will be held, Wednesday, 07/19/2023 at 6:00pm at the University of San Francisco's Downtown Campus, located at 101 Howard St.

This community meeting with Captain Maritn will dedicate a portion of the monthly community meeting to a discussion of training and education. The following links contain information that will be covered in this months meeting.

### Community Surveys:

The San Francisco Police Department is committed to excellence in law enforcement and is dedicated to the people, traditions and diversity of our City. Our mission is to provide service with understanding, response with compassion, performance with integrity and law enforcement with vision.

As part of our ongoing outreach to engage with the community and measure our success, the Department has created a community survey link to obtain valuable community feedback for our community events and programs, which will assist the Department in the development of our strategies to meet the needs of the community. If you have recently attended or participated in an event or program hosted by the Department (such as Coffee with a Cop, National Night Out, ALERT program, Youth Summer program, Community Academy or Town Hall Meeting), and have feedback regarding the event or program you attended, please take some time to fill out our community survey.

The Department has also developed a Foot Beat/Bike Patrol survey to gather valuable community feedback on the effectiveness of the Foot Beat/Bicycle Patrol, as it relates to community policing and crime strategies and an Implicit Bias survey to measure progress in the Department's commitment to impartial policing and procedural justice. Please take the time to fill out the Foot Beat/Bicycle and Implicit Bias surveys. If you have already filled out a survey, thank you! Your response will help SFPD better serve our City and continue to support our community through Safety with Respect.

## Reporting Illegal Fireworks: Teamwork Makes the Dream Work

The popping sounds can already be heard in the night—dangerous and illegal fireworks acting as an unwanted precursor to the approaching Independence Day holiday. Amid an ongoing drought that's created heightened conditions for sparking fires, it's more important than ever to report unsanctioned fireworks throughout the city to prevent tragic incidents from harming people and/or property.

This Fourth of July, teamwork will make the dream work—teamwork being residents actively reporting illegal fireworks to the San Francisco Police Department (SFPD), and the dream work being keeping our city and its people safe.

First, here's where locals can catch the LEGAL fireworks! On the Fourth of July, San Francisco will set off fireworks from two locations along the waterfront: Off Municipal Pier and also nearby Pier 39. The free show starts at 9:30 p.m. and will last 30 minutes.

Returning to the illegal fireworks, SF SAFE offers a reminder to the community that San Francisco has a zero tolerance for the use and sale of ALL fireworks. According to the SFPD, in San Francisco, it's illegal to possess or use fireworks such as sky rockets, bottle rockets, Roman candles, aerial shells, firecrackers and other types that explode, launch into the air, or move on the ground in an uncontrollable manner. This policy also includes so-called "safe" fireworks such as sparklers and fountains.

Setting off any of the aforementioned fireworks can potentially land you in jail, saddle you with a large fine or seriously injure you or a loved one. There's a compelling reason for our city's strict fireworks policy. Per the SFPD, on average, more than 12,000 fireworks-related injuries are treated annually in U.S. emergency rooms. Of these injuries, half involve children; parents are liable for any damage or injuries caused by their children using fireworks, according to the California Department of Forestry & Fire Protection (Cal Fire).

Those who witness illegal fireworks (and again, ALL fireworks are illegal in San Francisco) should call the SFPD's non-emergency number at 415-553-0123. Describe to the dispatcher what you're seeing, what you're hearing and the location where you think it's coming from.

When observing fireworks that are especially hazardous in nature, such as larger explosives like Roman candles where there's the high potential for fire, call 911.

To report the unlawful sale or storage of fireworks, call 415-553-0123, the SFPD tip line at 415-575-4444, or text a tip to TIP411 and start the text message with SFPD. You can also contact the SFPD about suspected illegal fireworks by emailing them at [SFPD.fireworks@sfgov.org](mailto:SFPD.fireworks@sfgov.org).

Working together, let's make it a safe, celebratory and worry-free Fourth of July!

As National Bike Month draws to a close, let SAFE offer a friendly reminder to register your bike with SAFE Bikes. Here's the link: <https://sfsafe.org/bicycle-registration-form/>

The SAFE Bikes sticker and ID code have been instrumental in helping law enforcement get recovered bikes back to their owners. To register your bike with SAFE Bikes, you will need:

- Make, model, serial number and complete description of the bicycle.
  - A photo of the purchase receipt
  - A photo of the bicycle

Go to <https://sfsafe.org/register-your-bike/> to register your bike!

# Addressing Crime / Safety Tips

## YOUR BIKE HAS BEEN STOLEN. NOW WHAT?

Here's what you should do next to increase your chances of recovering your bike:

### ➔ File a Police Report

You can do this in one of three ways:

- Online at [sanfranciscopolice.org/reports](http://sanfranciscopolice.org/reports)
- Via phone by calling (415) 553-0123
- In person by going directly to your district police station

### ➔ Call or Email SF SAFE

Give us a call so we can list your bike as stolen on our database. You can reach us at (415) 553-1984 or [info@sfsafe.org](mailto:info@sfsafe.org).

### ➔ Register

If you haven't done so already, register your bike at nonprofit bike registry, [bikeindex.org](http://bikeindex.org). If you are already registered, take action to flag your bike as stolen.

### ➔ Read Up

SF SAFE recommends reading "What to Do After Your Bike Has Been Stolen" on Medium. The article has a multitude of gems about where and how to post about your bike on social media to increase chances of recovering it.

### ➔ Create a Google Alert

By creating a Google alert for bikes being sold that match the make and model of your bike, you increase your chance of finding it.

### ➔ Don't Recover Your Bike Yourself

If you see your bike for sale on Craigslist or OfferUpNow.com, don't try to recover it yourself. Contact SFPD directly.

### ➔ Keep in Touch

If the police contact you to return your bike or if you recover it, please let us know! That way, SF SAFE can keep our files updated.

Visit [www.sfsafe.org](http://www.sfsafe.org) for more safety tips!

If you have any questions, please email [safebikessf@sfsafe.org](mailto:safebikessf@sfsafe.org)

# Addressing Crime / Safety tips

With the Covid-19 restrictions lifting in phases and many of us are starting to venture out again, here are some Package Theft Prevention Guide from SFSafe to help prevent your packages from being stolen.

## PACKAGE THEFT PREVENTION GUIDE

### ☐ WON'T BE HOME?

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

### ☐ CUSTOMIZE DELIVERIES

Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.

### ☐ USE SPECIAL SERVICES

Use USPS special services like *Signature Confirmation* or *Registered Mail* to add a layer of security.

### ☐ DELIVER TO SECURE LOCATIONS

Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.

### ☐ REQUEST NONDESCRIPT PACKAGING

When completing your online order, opt for packaging that conceals the item or select the 'gift' option to ensure package arrives in a plain box especially when ordering from a high-end store.

### ☐ USE MODERN ALTERNATIVES

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.

### ☐ NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

### ☐ PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

# Addressing Crime / Safety tips

## PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

### ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

### INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

### REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

### DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

### INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

### TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

### INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

### SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

### HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

### INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

# Addressing Crime / Safety tips

## PREVENT GARAGE DOOR BREAK-INS

### ANATOMY OF A SAFE GARAGE

### Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit [sfSAFE.org](http://sfSAFE.org).

# Addressing Crime / Safety Tips

## PREVENT THEFT FROM YOUR VEHICLE

Remember when parking your vehicle to ensure it is properly secured before walking away. Be sure that your windows are up, and your doors are locked. Thieves often check door handles to see if a car is unlocked. Remove all valuables from the inside of your car and take them with you. **PARK SMART!** Flyers available in English -Chinese - Spanish

# Park Smart!

## Safe Habits to Adopt:

### Turn off the ignition

Never leave your car running unattended

### Keep your vehicle & tires in good condition

to prevent breakdowns—stranding you in a dark or unfamiliar place

### Lock your doors

when you get in your car

### See something, say something

If you see a motorist in distress, call 9-1-1 versus stopping to help

### Clear your trunk

and take your valuables with you every time you leave your car

### If you are being followed,

drive to the nearest police or fire station—a populated area is a good default

# Summaries of Supreme Courts Case Laws

(Released Every 3 Months-First Week January, April, July, October )

## **Kansas v. Glover (2020) 140 S.Ct. 1183.**

A Kansas deputy sheriff ran a license plate check on a truck and discovered that the registered owner had a revoked driver's license. The deputy assumed the registered owner was driving the vehicle and pulled it over. The registered owner, Glover, was in fact driving and charged with being a habitual offender. Thereafter, Glover moved to suppress the evidence, claiming that the deputy lacked reasonable suspicion to detain him.

The United States Supreme Court held that, "when the officer lacks information negating an inference that the owner is the driver of the vehicle, the stop is reasonable." The Court noted that the Fourth Amendment permits an officer to detain an individual when that officer has a "particularized and objective basis for suspecting the particular person stopped of criminal activity." Officers must be permitted to make commonsense judgments and inferences regarding human behavior. The Court found that prior to pulling the vehicle over, the deputy observed an individual operating the vehicle, he knew the registered owner had a revoked license, and the model of the vehicle matched what he observed. From these facts the deputy drew the commonsense inference that the driver was the registered owner and the Court found that provided more than reasonable suspicion to initiate the traffic stop.

## **People v. Henderson (2020) 9 Cal.5th 1013**

Henderson was convicted of first degree murder with special circumstances, the personal use of a deadly weapon, and sentenced to death which triggered an automatic appeal to the California Supreme Court. Following his arrest, and during a custodial interrogation, Henderson initially waived his Miranda rights. When asked if he was present at the scene of the crime, Henderson stated, "Uhm, there's some things that I, uhm, want uh ..." He was again asked if he was present and Henderson continued, "[want] uh, want to speak to an attorney first, because I, I take responsibility for me, but there's other people that..."

Under established Miranda law, officers must terminate a custodial interrogation of a suspect when that individual invokes their right to counsel or to be silent. That being said, "various cases have held that a suspect's use of equivocal words or phrases does not constitute a clear request for counsel." A suspect must unambiguously assert his right to counsel or to remain silent. Courts objectively look to whether the suspect expressed their desire for counsel with sufficient clarity "that a reasonable police officer in the circumstances would understand the statement to be a request for an attorney." Courts have found the following statements to be equivocal and not an invocation: "maybe I should talk to a lawyer;" "[i]f you can bring me a lawyer;" "I think it'd probably be a good idea for me to get an attorney." In this case the court found that by stating, "[I] want to, speak to an attorney first," Henderson did not use equivocal language and the California Supreme Court found this was a violation of the Fifth Amendment.

### **SFPD Investigators Arrest Shooting and Armed Robbery Suspects**

*The suspects are believed to be connected to two unrelated incidents; an armed robbery in the Taraval and a shooting in the Tenderloin*

Members of the San Francisco Police Department Night Investigations Unit (NIU) and the Major Crimes Robbery Detail obtained search warrants for 34-year-old Joseph Tagoilelagi and 35-year-old Bryant Gray, who were identified as the suspects wanted in connection with an armed robbery that occurred in San Francisco's Taraval District and a shooting that occurred in San Francisco's Tenderloin District, both in the Month of May.

On May 11, 2023, SFPD officers from Taraval Station responded to the 2300 block of 20th Avenue to investigate a reported robbery. Officers met with two victims who stated that two unknown suspects had brandished firearms at them, stole a necklace, and then fled from the scene in getaway vehicle.

In a separate incident, on May 22, 2023, SFPD officers from Tenderloin Station responded to the 300 block of Golden Gate Avenue to investigate a report of a shooting. Officers located two victims suffering from apparent gunshot wounds. The victims were transported to a local hospital with non-life-threatening injuries. Investigators developed information that this incident was the result of an attempted robbery.

Through the course of their investigation, investigators identified Tagoilelagi and Gray as the suspects in both of the above listed incidents. Investigators developed probable cause to obtain search and arrest warrants for Tagoilelagi and Gray as well as their residences and associated vehicles.

On June 15, 2023, investigators from NIU, the Robbery Detail, and officers from the SFPD Tactical Unit, located Tagoilelagi and Gray on the 1300 block of Creekside Drive in Walnut Creek, California. Officers from the Tactical Unit placed them into custody without incident. The officers on scene determined that Tagoilelagi and Gray were in possession of a stolen vehicle. During a subsequent search, investigators located and seized two firearms from inside the vehicle.

# CPAB– Project Updates

April 2023

Community Police Advisory Board (CPAB) “CPABs” are community-oriented police advisory boards for each police district. Each CPAB, led by the District Captain for that police district, is comprised of approximately 10 to 15 committed volunteer community members and a representative from the Community Engagement Division of the SFPD. District Captains may choose more members if they wish to accomplish specific tasks. Each district’s Board members live and/or work in the communities within that district, where a community may be either a neighborhood with specific needs or a specific demographic. Each member thus represents the diversity of their community. In addition to the district CPABs, there will also be a City-wide CPAB Steering Committee facilitated by SF Safety Awareness For Everyone (SAFE). Two representatives from each Community Police Advisory Board shall be selected to participate in this Committee, with the purpose of sharing information across districts.

This month the CPAB introduced new members to the group. The group also discusses upcoming community events including the location for this years National Night Out.

Next month’s meeting is scheduled for Wednesday, 04/12 at 6:00pm. For Southern Stations meeting calendar click on the link below.
