Captain Luke Martin's Message

September 01, 2023

Dear Southern District Community,

Recently we have seen a trend of armed robberies around restaurants, bars, night clubs and event venues for high end jewelry and wrist watches. When in public always be alert and aware of your surroundings. If possible keep your cellphone use to a minimum while walking and hide your valuables.

On Thursday, 08/31, officers arrested a suspect linked to a recent armed robbery in the Southern District. During the course of the investigation officers seized a handgun and AR style rifle. Special thanks to the CGIC Unit, CVRT Unit, Southern Plainclothes and Bayview Officers for helping make this arrest. Case #230623127 and 230616451

Stay Safe!

- ◆ An individual trying door handles to vehicles, and/or residences to gain access to the vehicle and/ or residence.
- ◆ An individual checking front doors of residences to locate any unattended packages, or individuals following delivery trucks to see where the truck is dropping off packages.

Addressing Crime / Safety tips

As National Bike Month draws to a close, let SAFE offer a friendly reminder to register your bike with SAFE Bikes. Here's the link: <https://sfsafe.org/bicycle-registration-form/>

The SAFE Bikes sticker and ID code have been instrumental in helping law enforcement get recovered bikes back to their owners. To register your bike with SAFE Bikes, you will need:

- Make, model, serial number and complete description of the bicycle.
 - A photo of the purchase receipt
 - A photo of the bicycle

Go to <https://sfsafe.org/register-your-bike/> to register your bike!

Addressing Crime / Safety Tips

YOUR BIKE HAS BEEN STOLEN. NOW WHAT?

Here's what you should do next to increase your chances of recovering your bike:

➔ File a Police Report

You can do this in one of three ways:

- Online at sanfranciscopolice.org/reports
- Via phone by calling (415) 553-0123
- In person by going directly to your district police station

➔ Call or Email SF SAFE

Give us a call so we can list your bike as stolen on our database. You can reach us at (415) 553-1984 or info@sfsafe.org.

➔ Register

If you haven't done so already, register your bike at nonprofit bike registry, bikeindex.org. If you are already registered, take action to flag your bike as stolen.

➔ Read Up

SF SAFE recommends reading "What to Do After Your Bike Has Been Stolen" on Medium. The article has a multitude of gems about where and how to post about your bike on social media to increase chances of recovering it.

➔ Create a Google Alert

By creating a Google alert for bikes being sold that match the make and model of your bike, you increase your chance of finding it.

➔ Don't Recover Your Bike Yourself

If you see your bike for sale on Craigslist or OfferUpNow.com, don't try to recover it yourself. Contact SFPD directly.

➔ Keep in Touch

If the police contact you to return your bike or if you recover it, please let us know! That way, SF SAFE can keep our files updated.

Visit www.sfsafe.org for more safety tips!

If you have any questions, please email safebikessf@sfsafe.org

Addressing Crime / Safety tips

With the Covid-19 restrictions lifting in phases and many of us are starting to venture out again, here are some Package Theft Prevention Guide from SFSafe to help prevent your packages from being stolen.

PACKAGE THEFT PREVENTION GUIDE

WON'T BE HOME?

Use the "Hold Package" option at USPS.com to have packages held at location post office for pick up. You can also arrange for neighborhoods to pick up any packages that might be delivered.

CUSTOMIZE DELIVERIES

Customize deliveries by adding specific delivery instructions using USPS.com and your tracking number. You can also schedule packages to arrive when you are home or reroute packages.

USE SPECIAL SERVICES

Use USPS special services like *Signature Confirmation* or *Registered Mail* to add a layer of security.

DELIVER TO SECURE LOCATIONS

Send packages to secure locations such as Amazon Lockers, FedEx and UPS locations, P.O. Boxes, and local post office.

REQUEST NONDESCRIPT PACKAGING

When completing your online order, opt for packaging that conceals the item or select the 'gift' option to ensure package arrives in a plain box especially when ordering from a high-end store.

USE MODERN ALTERNATIVES

Take advantage of contemporary options like smart lockers, lockboxes, cameras, motion detection lighting, alarms like Package Guard, and services like Doorman.

NETWORK WITH NEIGHBORS

Neighborhood groups on social media or community apps can provide a system for reporting suspicious activity. This is also a good way to keep your deliveries and neighborhood secure.

PORCH AREA VISIBILITY

Keep the porch area clear and visible. The more likely a would-be thief is to be seen, the more likely they are to choose another target.

Addressing Crime / Safety tips

PREVENT GARAGE DOOR BREAK-INS

Garages can sometimes be the most vulnerable area of the home and they are often the entry point most targeted by thieves because of the easy access to the home. Here are some tips to help secure your garage and protect it from theft.

ALWAYS CLOSE YOUR GARAGE DOOR

This may seem obvious, but just drive through any residential neighborhood and you'll likely see a few wide-open garage doors. This is an invitation to burglars and at the very least, you're allowing passersby to easily view the contents of your garage.

INSTALL MOTION-SENSITIVE LIGHTS

Homes and garages with poor exterior lighting become more appealing targets for burglars. Ensure all entry points are well-lit. Constant lighting supplemented by motion sensitive lighting is best.

REINFORCE THE GLASS ON THE GARAGE DOOR

Add vinyl adhesive to reinforce garage windows. You can also opt for a frosted or translucent glass design to allow sunlight in while obscuring contents inside.

DON'T LEAVE GARAGE DOOR REMOTE IN YOUR CAR

A garage door remote is basically another key into your home and thieves won't hesitate to use it if they find it. Opt to use a remote on a keychain.

INSTALL AN INTERIOR MANUAL GARAGE DOOR LOCK

When leaving on a vacation or for extended periods of time, disconnect automatic door motor and install a manual lock.

TIE EMERGENCY RELEASE CORD

Tying your emergency release cord into a small ball will make it more difficult to reach by thieves who manage to break the garage windows.

INSTALL SURVEILLANCE CAMERAS

There should be at least 1 exterior mounted camera facing the street and registered with the D.A.'s office.

SECURE ANY VALUABLES

Keep all tools in cabinet systems with locks and be sure to hang and lock any bicycles. As much as possible, try to avoid keeping valuable items in the garage or inside vehicles.

HAVE A QUALITY, FUNCTIONING GARAGE DOOR

Garage doors should be as secure, sturdy, and well-built as your front door and should remain in good condition and tight fitting. Deadbolts should also be added to the garage-to-house door.

INSTALL INTERIOR MAIL SLOT HOOD COVER

If the garage door is equipped with a mail slot, a hood cover will prevent any view into the garage and its contents, eliminating enticement to enter.

Addressing Crime / Safety tips

PREVENT GARAGE DOOR BREAK-INS

ANATOMY OF A SAFE GARAGE

Your home is only as safe as its weakest entry point.

Your garage is an important part of your home and securing your garage is one of the most essential steps to securing your entire home. It is always recommended to regularly check and update your home's security system and safety measures.

For more information, please contact SF SAFE at (415) 553-1984 or visit sfSAFE.org.

Addressing Crime / Safety Tips

PREVENT THEFT FROM YOUR VEHICLE

Remember when parking your vehicle to ensure it is properly secured before walking away. Be sure that your windows are up, and your doors are locked. Thieves often check door handles to see if a car is unlocked. Remove all valuables from the inside of your car and take them with you. **PARK SMART!** Flyers available in English -Chinese - Spanish

Park Smart!

Safe Habits to Adopt:

Turn off the ignition

Never leave your car running unattended

Keep your vehicle & tires in good condition

to prevent breakdowns—stranding you in a dark or unfamiliar place

Lock your doors

when you get in your car

See something, say something

If you see a motorist in distress, call 9-1-1 versus stopping to help

Clear your trunk

and take your valuables with you every time you leave your car

If you are being followed,

drive to the nearest police or fire station—a populated area is a good default

SFPD Arrests Burglary Suspect Who Shot at Officers

On August 27, 2023, at approximately 5:35 a.m., San Francisco police officers responded to the 800 block of Brannan Street regarding a person with a firearm.

When officers arrived on scene, they observed the male suspect. When the officers attempted to stop the suspect, a foot pursuit ensued and the suspect fired a gun at officers, as he fled. No officers or bystanders were struck by gunfire. Multiple officers responded to the scene and established a perimeter around the area. The suspect was located hiding under a vehicle and appeared to be in possession of a firearm.

Officers from the SFPD Tactical Team and Hostage/Crisis Negotiations Team arrived on scene and attempted to contact the subject who refused to comply with orders to surrender.

Due to the coordinated efforts of the SFPD Specialist Team, Tactical Team and Hostage/Crisis Negotiations Team, officers were able to successfully negotiate the suspect's surrender and placed him into custody without further incident. Officers also located and seized a rifle and a handgun that the suspect used in the incident.

Officers developed probable cause to arrest the suspect, identified as 39-year-old male, Joe Chierici. Chierici was transported to County Jail where he was booked for a litany of charges, which include two counts of assault with a firearm upon a police officer (245(d)(2) PC), two counts of resisting an officer using force (69 PC), resisting arrest (148(a)(1) PC, burglary (459 2nd degree PC), and committing a felony while out on bail (12022.1 PC, Court # 23012177).

Photographs of the seized firearms accompany this news release.

While an arrest has been made, this remains an open and active investigation. Anyone with information is asked to contact the SFPD at 415-575-4444 or text a tip to TIP411 and begin the message with SFPD. You may remain anonymous.

Summaries of Supreme Courts Case Laws

(Released Every 3 Months-First Week January, April, July, October)

Kansas v. Glover (2020) 140 S.Ct. 1183.

A Kansas deputy sheriff ran a license plate check on a truck and discovered that the registered owner had a revoked driver's license. The deputy assumed the registered owner was driving the vehicle and pulled it over. The registered owner, Glover, was in fact driving and charged with being a habitual offender. Thereafter, Glover moved to suppress the evidence, claiming that the deputy lacked reasonable suspicion to detain him.

The United States Supreme Court held that, "when the officer lacks information negating an inference that the owner is the driver of the vehicle, the stop is reasonable." The Court noted that the Fourth Amendment permits an officer to detain an individual when that officer has a "particularized and objective basis for suspecting the particular person stopped of criminal activity." Officers must be permitted to make commonsense judgments and inferences regarding human behavior. The Court found that prior to pulling the vehicle over, the deputy observed an individual operating the vehicle, he knew the registered owner had a revoked license, and the model of the vehicle matched what he observed. From these facts the deputy drew the commonsense inference that the driver was the registered owner and the Court found that provided more than reasonable suspicion to initiate the traffic stop.

People v. Henderson (2020) 9 Cal.5th 1013

Henderson was convicted of first degree murder with special circumstances, the personal use of a deadly weapon, and sentenced to death which triggered an automatic appeal to the California Supreme Court. Following his arrest, and during a custodial interrogation, Henderson initially waived his Miranda rights. When asked if he was present at the scene of the crime, Henderson stated, "Uhm, there's some things that I, uhm, want uh ..." He was again asked if he was present and Henderson continued, "[want] uh, want to speak to an attorney first, because I, I take responsibility for me, but there's other people that..."

Under established Miranda law, officers must terminate a custodial interrogation of a suspect when that individual invokes their right to counsel or to be silent. That being said, "various cases have held that a suspect's use of equivocal words or phrases does not constitute a clear request for counsel." A suspect must unambiguously assert his right to counsel or to remain silent. Courts objectively look to whether the suspect expressed their desire for counsel with sufficient clarity "that a reasonable police officer in the circumstances would understand the statement to be a request for an attorney." Courts have found the following statements to be equivocal and not an invocation: "maybe I should talk to a lawyer;" "[i]f you can bring me a lawyer;" "I think it'd probably be a good idea for me to get an attorney." In this case the court found that by stating, "[I] want to, speak to an attorney first," Henderson did not use equivocal language and the California Supreme Court found this was a violation of the Fifth Amendment.

SFPD Arrests Tenderloin Narcotics Dealer

The ongoing efforts to curb the sale and proliferation of dangerous drugs in the Tenderloin led by the Drug Market Agency Coordination Center (DMACC) result in another drug dealing arrest, the seizure of roughly 3.5 lbs. of narcotics and a loaded firearm.

Over the course of more than one month San Francisco Police Officers assigned to the Narcotics Unit began an investigation on a suspected narcotics dealer who was selling drugs in the Tenderloin District. The officers developed probable cause to obtain authorized search warrants for the suspect's two residences and vehicle.

On August 22, 2023, at approximately 2:40 PM the Narcotics Unit officers located the suspect, identified as 21-year-old female Juleisy Moncada, in her vehicle on the 100 block of Russ Street. Officers placed Moncada under arrest for probable cause developed during the month-long investigation, which involved selling narcotics. During the arrest Moncada was with her 2-year-old child and officers located and seized suspected narcotics from her person. Officers had Moncada's vehicle towed for further investigation. With Moncada's permission her child was placed into the custody of a relative.

Narcotics Unit officers, Tenderloin officers, and the Drug Enforcement Agency (DEA) responded to Moncada's residences located on the 2500 block of 78th Ave. and the 9600 block of Edes Ave. in Oakland, California and served the search warrants. During the search officers located a loaded firearm along with suspected fentanyl, methamphetamine, base rock cocaine, heroin, and Oxycodone and Xanax. Officers also located and seized evidence consistent to the use for sales of narcotics.

Officers transported Moncada to San Francisco County Jail where she was booked for the following charges: Controlled Substance Possession for Sale (Fentanyl); Methamphetamine Possession for Sale, Base Cocaine Possession for Sale; Heroin, Possession for Sales; Maintaining a Premise where Narcotics being Used/Sold, Transportation of Controlled Substance, and Child Endangerment.

CPAB– Project Updates

April 2023

Community Police Advisory Board (CPAB) “CPABs” are community-oriented police advisory boards for each police district. Each CPAB, led by the District Captain for that police district, is comprised of approximately 10 to 15 committed volunteer community members and a representative from the Community Engagement Division of the SFPD. District Captains may choose more members if they wish to accomplish specific tasks. Each district’s Board members live and/or work in the communities within that district, where a community may be either a neighborhood with specific needs or a specific demographic. Each member thus represents the diversity of their community. In addition to the district CPABs, there will also be a City-wide CPAB Steering Committee facilitated by SF Safety Awareness For Everyone (SAFE). Two representatives from each Community Police Advisory Board shall be selected to participate in this Committee, with the purpose of sharing information across districts.

This month the CPAB introduced new members to the group. The group also discusses upcoming community events including the location for this years National Night Out.

Next month’s meeting is scheduled for Wednesday, 04/12 at 6:00pm. For Southern Stations meeting calendar click on the link below.

Station / Department Vision and Values

Everyone deserves to be treated fairly.

SFPD officers undergo Implicit Bias & Procedural Justice training. Our goal is ensure fair, impartial community policing.

We're dedicated to providing *Safety With Respect for All.*

Learn about our ongoing efforts to eliminate bias and increase accountability at [sanfranciscopolice.org/bias-free](https://www.sanfranciscopolice.org/bias-free).

A guiding principle of the San Francisco Police Department is its commitment to treating all people with dignity, fairness, and respect. It is crucial for our members to carry out their duties in a manner free from bias and eliminate any perception of policing that appears biased. Biased policing is unsafe, unjust, and ineffective. It also alienates the public, fosters distrust of police, and undermines legitimate law enforcement efforts.

The SFPD is dedicated to ensuring our officers and professional staff provide unbiased, quality service to the diverse communities we work for. Our goal is to provide fair and positive interactions between San Francisco officers and the people we are proud to serve.
